CHAPTER 3. California Community Care Facilities Act
ARTICLE 1. General Provisions

§ 1500. Citation of chapter

This chapter shall be known and may be cited as the California Community Care Facilities Act.

§ 1501. Legislative intent and declarations

(a) The Legislature hereby finds and declares that there is an urgent need to establish a coordinated and comprehensive statewide service system of quality community care for mentally ill, developmentally and physically disabled, and children and adults who require care or services by a facility or organization issued a license or special permit pursuant to this chapter.

(b) Therefore, the Legislature declares it is the intent of the state to develop policies and programs designed to:

- (1) insure a level of care and services in the community which is equal to or better than that provided by the state hospitals; hospitals;
- (2) assure that all people who require them are provided with the appropriate range of social rehabilitative, habilitative and treatment services, including residential and nonresidential programs tailored to their needs;
- (3) protect the legal and human rights of a person in or receiving services from a community care facility;
- (4) insure continuity of care between the medical-health elements and the supportive care-rehabilitation elements of California's health systems;
- (5) insure that facilities providing community care are adequate, safe and sanitary;
- (6) assure that rehabilitative and treatment services are provided at a reasonable cost;
- (7) assure that state payments for community care services are based on a flexible rate schedule varying according to type and cost of care and services provided;
- (8) encourage the utilization of personnel from state hospitals and the development of training programs to improve the quality of staff in community care facilities; and (9) insure the quality of community care facilities by evaluating the care and services provided and furnishing incentives to upgrade their quality.

§ 1501.1 Placement of Children in residential care facilities; policy of state

(a) It is the policy of the state to facilitate the proper placement of every child in residential care facilities where the placement is in the best interests of the child. A county may require placement or licensing agencies, or both placement and licensing agencies, to actively seek out-of-home care facilities capable of meeting the varied needs of the child. Therefore, in placing children in out-of-home care, particular attention should be given to the individual child's needs, the ability of the facility to meet those needs, the needs of other children in the facility, the licensing requirements of the facility as determined by the licensing agency, and the impact of the placement on the family reunification plan.

(b) Pursuant to this section, children with varying designations and varying needs, except as provided by statute, may be placed in the same facility provided the facility is licensed, complies with all licensing requirements relevant to the protection of the child, and has a special permit, if necessary, to meet the needs of each child so placed.

(c) Neither the requirement for any license nor any regulation shall restrict the implementation of the provisions of this section. Implementation of this section does not obviate the requirement for a facility to be licensed by the department.

(d) Pursuant to this section, children with varying designations and varying needs, except as provided by statute, may be placed in the same licensed foster family home or with a foster family agency for subsequent placement in a certified family home. Children with developmental disabilities, mental disorders, or physical disabilities may be placed in licensed foster family homes or certified family homes, provided that an appraisal of the child's needs and the ability of the receiving home to meet those needs is made jointly by the placement agency and the licensee in the case of licensed foster family homes or the placement agency and the foster family agency in the case of certified family homes, and is followed by written confirmation prior to placement. The appraisal shall confirm that the placement poses no threat to any child in the home.

For purposes of this chapter, the placing of children by foster family agencies shall be referred to as "subsequent placement" to distinguish the activity from the placing by public agencies.

(f) The department shall not be responsible for the evaluation of medical services provided to the resident by the hospice and shall have no liability for the independent acts of the hospice.

(g) The department, in consultation with the State Fire Marshal, shall develop and expedite implementation of regulations related to residents who have been diagnosed as terminally ill who remain in the facility and who are nonambulatory that ensure resident safety but also provide flexibility to allow residents to remain in the least restrictive environment.

(h) Nothing in this section shall be construed to relieve a licensed residential facility that provides care to adults of its responsibility, for purposes of allowing a resident who has been diagnosed as terminally ill to remain in the facility, to do both of the following:

(1) With regard to any resident who is bedridden, as defined in subdivision (b) of Section 1569.72, to, within 48 hours of the resident's retention in the facility, notify the local fire authority with jurisdiction in the bedridden resident's location of the estimated length of time the resident will retain his or her bedridden status in the facility.

(2) Secure a fire clearance approval from the city or county fire department, fire district, or

any other local agency providing fire protection services, or the State Fire Marshal, whichever has primary fire protection jurisdiction.

§ 1507.5. In-home medical care and home and community based services; children with special needs; foster family homes; evaluation

(a) In-home medical care and home and community-based services, as described in subdivisions (t) and (u) of Section 14132 of the Welfare and Institutions Code, may, when deemed medically appropriate by the State Department of Health Services, be provided by a licensed home health agency to children with special medical needs, as defined by the State Department of Health Services, in foster family homes. For children described in this section, these medical services shall not be considered as a substantial component of the services provided by the licensee for the purposes of Section 1507. To be eligible under this section for placement in a foster home, a child shall be receiving medical supervision and medical case management by an agent designated by the State Department of Health Services.

(b) No more than two children eligible for services under this section may be placed in a single licensed foster family home at one time.

(c) The State Department of Social Services and its agents shall not evaluate or have any responsibility or liability for the evaluation of the medical services described in this section.

§ 1507.6. Mental health services; liability

Mental health services, as deemed necessary by the placing agency, may be provided to children in a group home. Except for the physical safety and direct care and supervision of children so placed, the State Department of Social Services and its agents shall not evaluate or have responsibility or liability for the evaluation of mental health services provided in those homes. Supervision of mental health treatment services provided to a child in a group home shall be a case management responsibility of the placing agency.

§ 1508. Necessity of license; special permit; community care facility; local public agency defined

No person, firm, partnership, association, or corporation within the state and no state or local public agency shall operate, establish, manage, conduct, or maintain a community care facility in this state, without a current valid license therefor as provided in this chapter.

No person, firm, partnership, association, or corporation within the state and no state or local public agency shall provide specialized services within a community care facility in this state, without a current valid special permit therefor as provided in this chapter.

Except for a juvenile hall operated by a county, or a public recreation program, this section applies to community care facilities directly operated by a state or local public agency. Each community care facility operated by a state or local public agency shall comply with the standards established by the director for community care facilities.

As used in this chapter, "local public agency" means a city, county, special district, school district, community college district, chartered city, or chartered city and county.

§ 1509. Inspection, licensure and approval

The state department shall inspect and license community care facilities, except as otherwise provided in Section 1508. The state department shall inspect and issue a special permit to a community care facility to provide specialized services.

§ 1509.5. Application for additional license; possession of current license; provisional license; expedited procedures

(a) The department and the licensing agencies with which it contracts for licensing shall review and make a final determination within 60 days of an applicant's submission of a complete application on all applications for a license to operate a community care facility if the applicant possesses a current valid license to operate a community care facility at another site. Applicants shall note on the application, or in a cover letter to the application, that they possess a current valid license at another site, and the number of that license.

(b) The department shall request a fire safety clearance from the appropriate fire marshal within five days of receipt of an application described in subdivision (a). The applicant shall be responsible for requesting and obtaining the required criminal record clearances.

(c) If the department for any reason is unable to comply with subdivision (a), it shall, within 60 days of receipt of the application described in subdivision (a), grant a provisional license to the applicant to operate for a period not to exceed six months, except as provided in subdivision (d). While the provisional license is in effect, the department shall continue its investigation and make a final determination on the application before the provisional license expires. The provisional license shall be granted, provided the department knows of no life safety risks, the criminal records clearances, if applicable, are complete, and the fire safety clearance is complete. The director may extend the term of a provisional license for an additional six months at the time of the application, if the director determines that more than six months will be required to achieve full compliance with licensing standards due to circumstances beyond the control of the applicant, and if all other requirements for a license have been met.

(d) If the department does not issue a provisional license pursuant to subdivision (c), the department shall issue a notice to the applicant identifying whether the provisional license has not been issued due to the existence of a life safety risk, lack of a fire safety clearance, lack of a criminal records clearance, failure to complete the application, or any combination of these reasons. If a life safety risk is identified, the risk preventing the issuance of the provisional license shall be clearly explained. If a lack of the fire safety clearance is identified, the notice shall include the dates on which the department requested the clearance and the current status of that request, and the fire marshal's name and telephone number to whom a fire safety clearance request was sent. The department shall identify the names of individuals for whom criminal records clearances are lacking. If failure to complete the application is identified, the notice shall list all of the forms or attachments that are missing or incorrect. This notice shall be sent to the applicant no later than 60 days after the applicant filed the application. If the reasons identified in the notice are corrected, the department shall issue the provisional license within five days after the corrections are made.

(e) The department shall, immediately after January 1, 1993, develop expedited procedures necessary to implement subdivisions (a), (b), (c), and (d).

(f) The department shall, immediately after January 1, 1993, develop an appeal procedure for applicants under this section for both denial of licenses and delay in processing applications.

§ 1510. Consulting services

The state department may provide consulting services upon request to any community care facility to assist in the identification or correction of deficiencies and in the upgrading of the quality of care provided by such community care facility.

§ 1511. Contracts with public agencies for assumption of certain responsibilities; reimbursement; federal grants-in-aid

The state department may contract for state, county, or other public agencies to assume specified licensing, approval, or consultation responsibilities. In exercising the authority so delegated, such agencies shall conform to the requirements of this chapter and to the rules, regulations, and standards of the state department. The state department shall reimburse agencies for services performed pursuant to this section, and such payments shall not exceed actual cost.

If any grants-in-aid are made by the federal government for the support of any inspection or consultation service approved by the state department, the amount of the federal grant shall first be applied to defer the cost of the service before state reimbursement is made.

§ 1512. Residential community care facility; policy concerning family visits and communication with resident clients; posting notice

Each residential community care facility shall state, on its client information form or admission agreement, and on its patient's rights form, the facility's policy concerning family visits and other communication with resident clients and shall, except as otherwise provided in this section, promptly post notice of its visiting policy at a location in the facility that is accessible to residents and families. The requirement that a facility post notice of the facility's visiting policy does not apply to any facility serving six or fewer clients.

The community care facility's policy concerning family visits and communication shall be designed to encourage regular family involvement with the resident client and shall provide ample opportunities for family participation in activities at the facility.

§ 1512.5. Family councils

(a) No residential facility may prohibit the formation of a family council, and, when requested by a member of the resident's family or the resident's responsible party, the family council shall be allowed to meet in a common meeting room of the facility during mutually agreed upon hours.

(b) Facility policies on family councils shall in no way limit the right of residents and family members to meet independently with outside persons, including members of nonprofit or government organizations or with facility personnel during nonworking hours.

(c) "Family council" for the purpose of this section means a meeting of family members, friends, responsible parties, or agents as defined in Section 14110.8 of the Welfare and Institutions Code of two or more patients to confer in private without facility staff.

(d) Family councils shall also be provided adequate space on a prominent bulletin board or other posting area for the display of meeting notices, minutes, and newsletters.

§ 1513. Valuation of license or permit; prohibition against sale or exchange for commercial purpose

No license or special permit issued pursuant to the provisions of this chapter shall have any property value for sale or exchange purposes and no person, including any owner, agent, or broker, shall sell or exchange any license or special permit for any commercial purpose.

§ 1514. License number; use in advertisements, publications, or announcements

(a) Each residential care facility licensed under this chapter shall reveal its license number in all advertisements, publications, or announcements made with the intent to attract clients or residents.

(b) Advertisements, publications, or announcements subject to the requirements of subdivision (a) shall include, but are not limited to, those contained in the following:

- (1) Newspaper or magazine.
- (2) Consumer report.
- (3) Announcement of intent to commence business.
- (4) Telephone directory yellow pages.
- (5) Professional or service directory.
- (6) Radio or television commercial.

§ 1515. Recruitment programs

The department shall authorize county welfare departments to undertake comprehensive recruitment programs, including but not limited to media advertising, public awareness campaigns and public speaking engagements to ensure an adequate number of foster homes are available to meet the child welfare placement needs in each county.

In counties in which the county has contracted with the state to license foster parents, if the county undertakes a recruitment program, it shall be done by the placement agency. The state shall not be required to perform any acts in connection with a recruitment program.

§ 1518. Rent control; exception

(a) Nothing in this chapter shall authorize the imposition of rent regulations or controls for licensed community care facilities.

(b) Licensed community care facilities shall not be subject to controls on rent imposed by any state or local agency or other local government or entity.

§ 1519. Report on cost of operations for residential facilities; rate structure

The Auditor General shall report to the Legislature by no later than March 1, 1986, on the cost of operation for residential facilities for all client groups, taking into account the difference in facility size. The Auditor General shall recommend an appropriate rate structure for recipients of Supplemental Security Income/State Supplementary Program in residential facilities for all client groups based on the findings in the report.

ARTICLE 2. Administration

§ 1520. Applications for issuance of license; contents

Any person desiring issuance of a license for a community care facility or a special permit for specialized services under this chapter shall file with the department, pursuant to regulations, an application on forms furnished by the department, which shall include, but not be limited to:

(a) Evidence satisfactory to the department of the ability of the applicant to comply with this chapter and of rules and regulations promulgated under this chapter by the department.

(b) Evidence satisfactory to the department that the applicant is of reputable and responsible character. The evidence shall include, but not be limited to, a criminal record clearance pursuant to Section 1522, employment history, and character references. If the applicant is a firm, association, organization, partnership, business trust, corporation, or company, like evidence shall be submitted as to the members or shareholders thereof, and the person in charge of the community care facility for which application for issuance of license or special permit is made.

(c) Evidence satisfactory to the department that the applicant has sufficient financial resources to maintain the standards of service required by regulations adopted pursuant to this chapter.

(d) Disclosure of the applicant's prior or present service as an administrator, general partner, corporate officer or director of, or as a person who has held or holds a beneficial ownership of 10 percent or more in, any community care facility or in any facility licensed pursuant to Chapter 1 (commencing with Section 1200) or Chapter 2 (commencing with Section 1250).

(e) Disclosure of any revocation or other disciplinary action taken, or in the process of being taken, against a license held or previously held by the entities specified in subdivision (d).

(f) A signed statement that the person desiring issuance of a license or special permit has read and understood the community care facility licensure statute and regulations that pertain to the applicant's category of licensure.

(g) Any other information that may be required by the department for the proper administration and enforcement of this chapter.

(h) In implementing this section, the department shall give due consideration to the functions of each separate licensing category.

(i) Failure of the applicant to cooperate with the licensing agency in the completion of the application shall result in the denial of the application. Failure to cooperate means that the information described in this section and in regulations of the department has not been provided, or not provided in the form requested by the licensing agency, or both.

§ 1520.1. Applicants for group home facility license; additional requirements

In addition to Section 1520, applicants for a group home facility license shall meet the following requirements:

(a) (1) During the first 12 months of operation, the facility shall operate with a provisional license. After eight months of operation, the department shall conduct a comprehensive review of the facility for compliance with all applicable laws and regulations and help develop a plan of correction with the provisional licensee, if appropriate. By the end of the 12th month of operation, the department shall determine if the permanent license should be issued.

(2) If the department determines that the group home is in substantial compliance with licensing standards, notwithstanding Section 1525.5, the department may extend the provisional license for up to an additional six months for either of the following reasons:

(A) The group home requires additional time to be in full compliance with licensing standards.

(B) After 12 months of operation, the group home is not operating at 50 percent of its licensed capacity.

(3) By no later than the first business day of the 17th month of operation, the department shall conduct an additional review of a facility for which a provisional license is extended pursuant to paragraph (2), in order to determine whether a permanent license should be issued.

(4) The department may deny a group home license application at any time during the term of the provisional license to protect the health and safety of clients. If the department denies the application, the group home shall cease operation immediately. Continued operation of the facility after the department denies the application or the provisional license expires shall constitute unlicensed operation.

(5) When the department notifies a city or county planning authority pursuant to subdivision (c) of Section 1520.5, the department shall briefly describe the provisional licensing process and the timelines provided for under that process, as well as provide the name, address, and telephone number of the district office licensing the facility where a complaint or comment about the group home's operation may be filed.

(b) (1) After the production of the booklet provided for in paragraph (2), every member of the group home's board of directors shall, prior to becoming a member of the board of directors sign a statement that the board member understands his or her legal duties and obligations as a member of the board of directors and that the group home's operation is governed by laws and regulations that are enforced by the department, as set forth in the booklet. The applicant, provisional licensee, and licensee shall have this statement available for inspection by the department. For members of the board of directors when the booklet is produced, the licensee shall obtain this statement by the next scheduled meeting of the board of directors. Compliance with this paragraph shall be a condition of licensure.

(2) No later than May 1, 1999, the department, in cooperation with the Department of Justice and in consultation with group home providers, shall develop and distribute to every group home provider detailed information designed to educate members of the group home provider's board of directors of their roles and responsibilities as board members of a public benefit corporation under the laws of this state. The information shall be included in a booklet, which shall include, but not be limited to, all of the following:

(A) The financial responsibilities of a member of the board of directors.

(B) Disclosure requirements for self-dealing transactions.

(C) Legal requirements pertaining to articles of incorporation, bylaws, length of board member terms, voting procedures, board meetings, quorums, minutes of board meetings, and, as provided for in subdivision (f), board member duties.

(D) A general overview of the laws and regulations governing the group home's operation that are enforced by the department.

(c) All financial records submitted by a facility to the department, or that are submitted as part of an audit of the facility, including, but not limited to, employee timecards and timesheets, shall be signed and dated by the employee and by the group home representative who is responsible for ensuring the accuracy of the information contained in the record, and shall contain an affirmative statement that the signatories understand that the information contained in the document is correct to the best of their knowledge and that submission of false or misleading information may be prosecuted as a crime.

(d) An applicant, provisional licensee, or licensee shall maintain, submit, and sign financial documents to verify the legitimacy and accuracy of these documents. These documents include,

but are not limited to, the group home application, any financial documents and plans of corrections submitted to the department, and time sheets.

(e) (1) It is the intent of the Legislature that a group home have either representatives on its board of directors, as listed in paragraph (2), or a community advisory board, that meets at least annually.

(2) The representatives on the board of directors or the community advisory board members should consist of at least the following persons:

(A) A member of the facility's board of directors.

(B) Members of the community where the facility is located.

(C) Neighbors of the facility.

(D) Current or former clients of the facility.

(E) A representative from a local law enforcement or other city or county representative.

(f) Each group home provider shall schedule and conduct quarterly meetings of its board of directors. During these quarterly meetings, the board of directors shall review and discuss licensing reports, financial and program audit reports of its group home operations, special incident reports, and any administrative action against the licensee or its employees. The minutes shall reflect the board's discussion of these documents and the group home's operation. The licensee shall make available the minutes of group home board of directors meetings to the department.

§ 1520.11. Corporate applicants; directors and officers; related facilities; license issuance and revocation

(a) A corporation that applies for licensure with the department shall list the facilities that any member of the board of directors, an executive director, or any officer has been licensed to operate, been employed in, or served as a member of the board of directors, the executive director, or an officer.

(b) The department shall not issue a provisional license or license to any corporate applicant that has a member of the board of directors, an executive director, or an officer, who is not eligible for licensure pursuant to Section 1520.3 or Section 1558.1.

(c) The department may revoke the license of any corporate licensee that has a member of the board of directors, an executive director, or an officer, who is not eligible for licensure pursuant to Section 1520.3 or Section 1558.1.

(d) Prior to instituting an administrative action pursuant to either subdivision (b) or (c), the department shall notify the applicant or licensee of the person's ineligibility to be a member of the board of directors, an executive director, or an officer of the applicant or licensee. The licensee shall remove the person from that position within 15 days or, if the person has client contact, he or she shall be removed immediately upon notification.

§ 1520.2. Resident-oriented facility councils

(a) Every licensed community care facility, at the request of a majority of its residents, shall assist its residents in establishing and maintaining a resident-oriented facility council. The council shall be composed of residents of the facility and may include family members of residents of the facility. The council may, among other things, make recommendations to facility administrators to improve the quality of daily living in the facility and may negotiate to protect residents' rights with facility administrators.

(b) A violation of subdivision (a) shall not be subject to the provisions of Section 1540 but shall be subject to the provisions of Section 1534 and any other provisions of this chapter.

(c) This section shall not apply to a community care facility as defined in paragraphs (3), (5), and (6) of subdivision (a) of Section 1502, or to a community care facility licensed to provide care for six or fewer individuals.

§ 1520.3. Applications submitted within two years of revocation of prior license; cessation of Review

(a) (1) If an application for a license or special permit indicates, or the department determines during the application review process, that the applicant previously was issued a license under this chapter or under Chapter 1 (commencing with Section 1200), Chapter 2 (commencing with Section 1250), Chapter 3.01 (commencing with Section 1568.01), Chapter 3.3 (commencing with Section 1569), Chapter 3.4 (commencing with Section 1596.70), Chapter 3.5 (commencing with Section 1596.90), or Chapter 3.6 (commencing with Section 1597.30) and the prior license was revoked within the preceding two years, the department shall cease any further review of the application until two years shall have elapsed from the date of the revocation. The cessation of review shall not constitute a denial of the application for purposes of Section 1526 or any other provision of law.

(2) If an application for a license or special permit indicates, or the department determines during the application review process, that the applicant previously was issued a certificate of approval by a foster family agency that was revoked by the department pursuant to subdivision (b) of Section 1534 within the preceding two years, the department shall cease any further review of the application until two years shall have elapsed from the date of the revocation.

(3) If an application for a license or special permit indicates, or the department determines during the application review process, that the applicant was excluded from a facility licensed by the department pursuant to Sections 1558, 1568.092, 1569.58, or 1596.8897, the department shall cease any further review of the application unless the excluded individual has been reinstated pursuant to Section 11522 of the Government Code by the department.

(b) If an application for a license or special permit indicates, or the department determines during the application review process, that the applicant had previously applied for a license under any of the chapters listed in paragraph (1) of subdivision (a) and the application was denied within the last year, the department shall cease further review of the application as follows:

(1) In cases where the applicant petitioned for a hearing, the department shall cease further review of the application until one year has elapsed from the effective date of the decision and order of the department upholding a denial.

(2) In cases where the department informed the applicant of his or her right to petition for a hearing and the applicant did not petition for a hearing, the department shall cease further review of the application until one year has elapsed from the date of the notification of the denial and the right to petition for a hearing.

(3) The department may continue to review the application if it has determined that the reasons for the denial of the application were due to circumstances and conditions which either have been corrected or are no longer in existence.

(c) If an application for a license or special permit indicates, or the department determines during the application review process, that the applicant had previously applied for a certificate of approval with a foster family agency and the department ordered the foster family agency to

deny the application pursuant to subdivision (b) of Section 1534, the department shall cease further review of the application as follows:

(1) In cases where the applicant petitioned for a hearing, the department shall cease further review of the application until one year has elapsed from the effective date of the decision and order of the department upholding a denial.

(2) In cases where the department informed the applicant of his or her right to petition for a hearing and the applicant did not petition for a hearing, the department shall cease further review of the application until one year has elapsed from the date of the notification of the denial and the right to petition for a hearing.

(3) The department may continue to review the application if it has determined that the reasons for the denial of the application were due to circumstances and conditions that either have been corrected or are no longer in existence.

(d) The cessation of review shall not constitute a denial of the application for purposes of Section 1526 or any other law.

§ 1520.5. Overconcentration of residential care facilities; license denial; ownership change; facilities considered

(a) The Legislature hereby declares it to be the policy of the state to prevent overconcentrations of residential care facilities which impair the integrity of residential neighborhoods. Therefore, the director shall deny an application for a new residential care facility license if the director determines that the location is in a proximity to an existing residential care facility that would result in overconcentration.

(b) As used in this section, "overconcentration" means that if a new license is issued, there will be residential care facilities which are separated by a distance of 300 feet or less, as measured from any point upon the outside walls of the structures housing those facilities. Based on special local needs and conditions, the director may approve a separation distance of less than 300 feet with the approval of the city or county in which the proposed facility will be located.

(c) At least 45 days prior to approving any application for a new residential care facility, the director, or county licensing agency, shall notify, in writing, the city or county planning authority in which the facility will be located, of the proposed location of the facility.

(d) Any city or county may request denial of the license applied for on the basis of overconcentration of residential care facilities.

(e) Nothing in this section authorizes the director, on the basis of overconcentration, to refuse to grant a license upon a change of ownership of an existing residential care facility where there is no change in the location of the facility.

(f) Foster family homes and residential care facilities for the elderly shall not be considered in determining overconcentration of residential care facilities, and license applications for those facilities shall not be denied upon the basis of overconcentration.

(g) Any transitional shelter care facility as defined in paragraph (11) of subdivision (a) of Section 1502 shall not be considered in determining overconcentration of residential care facilities, and license applications for those facilities shall not be denied upon the basis of overconcentration.

§ 1520.6. (Operative term contingent) Overconcentration of group homes; Conditions (Repealed by Stats.1992, c. 1153 (S.B. 1573), sec 2, effective on or before 1-1-94)

§ 1520.65. Overconcentration of group homes; legislative findings; report

(a) The Legislature finds and declares that there exists a compelling need to examine the circumstances and conditions that result in the placement of children in community care facilities outside their county of residence in order to determine the impact these placements have on the overconcentration of facilities in certain communities, and the well-being of the children effected and the success of family reunification.

(b) The State Department of Social Services shall provide a report to the Legislature on or before January 1, 1994. In preparing the report, the department shall consult with representatives of provider organizations, the County Welfare Directors Association, the County Probation Officers Association, and others. The report shall contain the following information:

- (1) Identify the number of children, by county, who are being placed into community care facilities outside their county of residence, as well as the location of the placement facilities.
- (2) Identify the characteristics of the children being placed out of county, including their ethnic and socioeconomic background, as well as the particular needs which resulted in their placement.
- (3) Identify the number of children by county being placed out of state.
- (4) Identify the characteristics of the children being placed out of state, including their ethnic and socioeconomic background, as well as the particular needs which resulted in their placement.
- (5) Determine the effect of land use regulations in urban and suburban areas on the siting of facilities.
- (6) Determine the relationship between housing costs, prevailing labor costs, and unemployment rates on siting of facilities.

§ 1521. Facilities with medical and nursing services; compliance with health planning requirements

Any person desiring a license for a community care facility under the provisions of this chapter which is required by other code provisions or rules or regulations of the state department pursuant to other code provisions to have a medical director, organized medical staff, or resident medical staff or to provide professional nursing services by a registered nurse or supervision of nursing services by a licensed registered nurse, a graduate nurse, a licensed vocational nurse, or a certified psychiatric technician shall comply with the health planning requirements contained in Part 1.5 (commencing with Section 437) of Division 1.

All other community care facilities shall be exempt from the health planning requirements contained in Part 1.5 (commencing with Section 437) of Division 1.

§ 1521.5. Pre-license in home interviews; prospective foster parents; licensing records

(a) The county welfare director shall, prior to the issuance of any foster family home license, ensure that the county licensing staff, or the placement staff, conducts one or more in-home interviews with the prospective foster parent sufficient to collect information on caregiver qualifications that may be used by the placement agency to evaluate the ability, willingness, and readiness of the prospective foster parent to meet the varying needs of children. The inability of a prospective foster parent to meet the varying needs of children shall not, in and of itself,

preclude a prospective foster parent from obtaining a foster family home license. * * *

(b) All home interviews required by this section shall be on an in person basis.

(c) If the in-home interview is conducted by the licensing agency, it shall be a part of the licensing record, and shall be shared with the county welfare director or the placement agency pursuant to subdivision (e) of Section 1798.24 of the Civil Code.

(d) The in-home interview required by this section shall be completed no later than 120 days following notification by the licensing agency.

(e) No license shall be issued unless an in-home interview has been conducted as required by this section.

§ 1521.6. Legislative intent; foster homes; development and implementation of comprehensive licensing process

(a) The Legislature recognizes the importance of ensuring that prospective foster family homes meet specified health and safety requirements. Moreover, the Legislature acknowledges that there is a further need to evaluate a licensed foster parent's ability, readiness, and willingness to meet the varying needs of children, including hard to place children, in order to ensure competent placement resources. Therefore, it is the intent of the Legislature that the State Department of Social Services, in consultation with county placement agencies, foster care providers, and other interested parties, develop and implement through regulations, a comprehensive home study process that integrates the decision outcome of the home study developed pursuant to Section 16518 of the Welfare and Institutions Code, as a criteria for placement.

(b) This section shall become inoperative on the date the regulations adopted pursuant to this section are filed with the Secretary of State.

§ 1522. Fingerprints and criminal records; exemptions; criminal record clearances

The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a community care facility, foster family home, or a certified family home of a licensed foster family agency. Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice for fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII), to be used for applicant fingerprints. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with community care clients may pose a risk to the clients health and safety.

(a)(1) Before issuing a license or special permit to any person or persons to operate or manage a community care facility, the State Department of Social Services shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) No fee shall be charged by the Department of Justice or the State Department of Social Services for the fingerprinting of an applicant for a license or special permit to operate a facility providing nonmedical board, room, and care for six or less children or for obtaining a criminal record of the applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services shall cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (g).

(E) An applicant and any other person specified in subdivision (b) shall submit a second set of fingerprints to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by this subdivision. If an applicant and all other persons described in subdivision (b) meet all of the conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant or any of the persons described in subdivision (b), the department may issue a license if the applicant and each person described in subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or any other person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(b)(1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a client, residing in the facility.

(C) Any person who provides client assistance in dressing, grooming, bathing, or personal hygiene. Any nurse assistant or home health aide meeting the requirements of Section 1338.5 or 1736.6, respectively, who is not employed, retained, or contracted by the licensee, and who has been certified or recertified on or after July 1, 1998, shall be deemed to meet the criminal record clearance requirements of this section. A certified nurse assistant and certified home health aide who will be providing client assistance and who falls under this exemption shall provide one copy of his or her current certification, prior to providing care, to the community care facility. The facility shall maintain the copy of the certification on file as long as care is being provided by the certified nurse assistant or certified home health aide at the facility. Nothing in this paragraph restricts the right of

the department to exclude a certified nurse assistant or certified home health aide from a licensed community care facility pursuant to Section 1558.

(D) Any staff person, volunteer, or employee who has contact with the clients.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer or other person serving in like capacity.

(F) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(2) The following persons are exempt from the requirements applicable under paragraph (1).

(A) A medical professional as defined in department regulations who holds a valid license or certification from the person's governing California medical care regulatory entity and who is not employed, retained, or contracted by the licensee if all of the following apply:

(i) The criminal record of the person has been cleared as a condition of licensure or certification by the person's governing California medical care regulatory entity.

(iii) The person is providing care or services within the person's scope of practice.

(C) Employees of a licensed home health agency and other members of licensed hospice interdisciplinary teams who have a contract with a client or resident of the facility and are in the facility at the request of that client or resident's legal decisionmaker. The exemption shall not apply to a person who is a community care facility licensee or an employee of the facility.

(D) Clergy and other spiritual caregivers who are performing services in common areas of the community care facility or who are advising an individual client at the request of, or with the permission of, the client or legal decisionmaker, are exempt from fingerprint and criminal background check requirements imposed by community care licensing.

This exemption shall not apply to a person who is a community care licensee or employee of the facility.

(E) Members of fraternal, service, or similar organizations who conduct group activities for clients if all of the following apply:

(i) Members are not left alone with clients.

(ii) Members do not transport clients off the facility premises.

(iii) The same organization does not conduct group activities for clients more often than defined by the department's regulations.

(3) In addition to the exemptions in paragraph (2), the following persons in foster family homes, certified family homes, and small family homes are exempt from the requirements applicable under paragraph (1):

(A) Adult friends and family of the licensee who come into the home to visit for a length of time no longer than defined by the department in regulations, provided that the adult

friends and family of the licensee are not left alone with the foster children.

(B) Parents of a foster child's friends when the foster child is visiting the friend's home and the friend, foster parent, or both are also present.

(4) In addition to the exemptions specified in paragraph (2), the following persons in adult day care and adult day support centers are exempt from the requirements applicable under paragraph (1):

(A) Unless contraindicated by the client's individualized program plan (IPP) or needs and service plan, a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to the client.

(B) A volunteer if all of the following applies:

(i) The volunteer is supervised by the licensee or a facility employee with a criminal record clearance or exemption.

(ii) The volunteer is never left alone with clients.

(iii) The volunteer does not provide any client assistance with dressing, grooming, bathing, or personal hygiene other than washing of hands.

(5) (A) In addition to the exemptions specified in paragraph (2), the following persons in adult residential and social rehabilitation facilities, unless contraindicated by the client's individualized program plan (IPP) or needs and services plan, are exempt from the requirements applicable under paragraph (1): a spouse, significant other, relative, or close friend of a client, or an attendant or a facilitator for a client with a developmental disability if the attendant or facilitator is not employed, retained, or contracted by the licensee. This exemption applies only if the person is visiting the client or providing direct care and supervision to that client.

(B) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individual exempt from the requirements of this section, provided that the individual has client contact.

(6) Any person similar to those described in this subdivision, as defined by the department in regulations.

(c) (1) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition to employment, residence, or presence in a community care facility, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions. The licensee shall submit these fingerprints to the Department of Justice, along with a second set of fingerprints for the purpose of searching the records of the Federal Bureau of Investigation, or to comply with paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the community care facility. These fingerprints shall be on a card provided by the State Department of Social Services or sent by electronic transmission in a manner approved by the State Department of Social Services and the Department of Justice for the purpose of obtaining a permanent set of fingerprints, and shall be submitted to the Department of Justice by the licensee. A licensee's failure to submit fingerprints to the Department of Justice or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency and the immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation. The department may assess civil penalties for continued violations as permitted by Section 1548. The fingerprints shall then be submitted to the State Department of Social Services for processing. Upon request of

the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprints.

(2) Within 14 calendar days of the receipt of the fingerprints, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided for in subdivision (a). If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprints.

Documentation of the individual's clearance or exemption shall be maintained by the licensee and be available for inspection. If new fingerprints are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprints, notify the licensee that the fingerprints were illegible. When live-scan technology is operational, as defined in Section 1522.04, the Department of Justice shall notify the State Department of Social Services, as required by that section, shall also notify the licensee by mail, within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal history recorded. A violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation. The department may assess civil penalties for continued violations as permitted by Section 1548.

(3) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the State Department of Social Services, on the basis of the fingerprints submitted to the Department of Justice, that the person has been convicted of, or is awaiting trial for, a sex offense against a minor, or has been convicted for an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility. The State Department of Social Services may subsequently grant an exemption pursuant to subdivision (g). If the conviction or arrest was for another crime, except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (1) terminate the person's employment, remove the person from the community care facility, or bar the person from entering the community care facility; or (2) seek an exemption pursuant to subdivision (g). The State Department of Social Services shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall be grounds for disciplining the licensee pursuant to Section 1550.

(4) The department may issue an exemption on its own motion pursuant to subdivision (g) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(5) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (g). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d) (1) Before issuing a license, special permit, or certificate of approval to any person or persons to operate or manage a foster family home or certified family home as described in Section 1506, the State Department of Social Services or other approving authority shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons.

(3) No fee shall be charged by the Department of Justice or the State Department of Social Services for the fingerprinting of an applicant for a license, special permit, or certificate of approval described in this subdivision. The record, if any, shall be taken into consideration when evaluating a prospective applicant.

(4) The following shall apply to the criminal record information:

(A) If the applicant or other persons specified in subdivision (b) have convictions that would make the applicant's home unfit as a foster family home or a certified family home, the license, special permit, or certificate of approval shall be denied.

(B) If the State Department of Social Services finds that the applicant, or any person specified in subdivision (b) is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services or other approving authority may cease processing the application until the conclusion of the trial.

(C) For the purposes of this subdivision, a criminal record clearance provided under Section 8712 of the Family Code may be used by the department or other approving agency.

(D) An applicant for a foster family home license or for certification as a family home, and any other person specified in subdivision (b), shall submit a set of fingerprints to the Department of Justice for the purpose of searching the criminal records of the Federal Bureau of Investigation, in addition to the criminal records search required by subdivision (a). If an applicant meets all other conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant and all persons described in subdivision (b), the department may issue a license, or the foster family agency may issue a certificate of approval, if the applicant, and each person described in subdivision (b), has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction, as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure or certification, the department determines that the licensee, certified foster parent, or any person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1550 and the certificate of approval revoked pursuant to subdivision (b) of Section 1534. The department may also suspend the license pending an administrative hearing pursuant to Section 1550.5.

(5) Any person specified in this subdivision shall, as a part of the application, be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal convictions or arrests for any crime against a child, spousal or cohabitant abuse or, any crime for which the department cannot grant an exemption if the person was convicted and shall submit these fingerprints to the licensing agency or other approving authority.

(6) (A) The foster family agency shall obtain fingerprints from certified home applicants and from persons specified in subdivision (b) and shall submit them directly to the Department of Justice or send them by electronic transmission in a manner approved by the State Department of Social Services. A foster family home licensee or foster family agency shall submit these fingerprints to the Department of Justice, along with a second set of fingerprints for the purpose of searching the records of the Federal Bureau of Investigation or to comply with paragraph (1) of subdivision (b) prior to the person's employment, residence, or initial presence. A licensee's failure to submit fingerprints to the Department of Justice, or comply with paragraph (1) of subdivision (h), as required in this section, shall result in a citation of a deficiency, and the immediate civil penalties of one hundred dollars (\$100) per violation. The State Department of Social Services may assess penalties for continued violations, as permitted by Section 1548. The fingerprints shall then be submitted to the State Department of Social Services for processing.

(B) Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the Department of Justice shall verify receipt of the fingerprints. Within five working days of the receipt of the criminal record or information regarding criminal convictions from the Department of Justice, the department shall notify the applicant of any criminal arrests or convictions. If no arrests or convictions are recorded, the Department of Justice shall provide the foster family home licensee or the foster family agency with a statement of that fact concurrent with providing the information to the State Department of Social Services.

(7) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), has been convicted of a crime other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (g).

(8) If the State Department of Social Services finds after licensure or the granting of the certificate of approval that the licensee, certified foster parent, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license or certificate of approval may be revoked by the department or the foster family agency, whichever is applicable, unless the director grants an exemption pursuant to subdivision (g). A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by paragraph (3) of subdivision (c) shall be grounds for disciplining the licensee pursuant to Section 1550.

(e) The State Department of Social Services shall not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f) (1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action which the State Department of Social Services is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation

is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of the conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(g) (1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for a license, special permit, or certificate of approval as specified in paragraphs (4) and (5) of subdivision (d), or for employment, residence, or presence in a community care facility as specified in paragraphs (3), (4), and (5) of subdivision (c), if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of such good character as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). Except as otherwise provided in this subdivision, no exemption shall be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A)(i) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (a) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(ii) Notwithstanding clause (i), the director may grant an exemption regarding the conviction for an offense described in paragraph (1), (2), (7), or (8) of subdivision (c) of Section 667.5 of the Penal Code, if the employee or prospective employee has been rehabilitated as provided in Section 4852.03 of the Penal Code, has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years, and has the recommendation of the district attorney representing the employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) of Section 451 of the Penal Code.

(2) The department shall not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1558.

(h) (1) For purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed

through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the State Department of Social Services, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed envelope for this purpose, the State Department of Social Services shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearance to be transferred.

(i) The full criminal record obtained for purposes of this section may be used by the department or by a licensed adoption agency as a clearance required for adoption purposes.

(j) If a licensee or facility is required by law to deny employment or to terminate employment of any employee based on written notification from the state department that the employee has a prior criminal conviction or is determined unsuitable for employment under Section 1558, the licensee or facility shall not incur civil liability or unemployment insurance liability as a result of that denial or termination.

(k) (1) The Department of Justice shall coordinate with the State Department of Social Services to establish and implement an automated live-scan processing system for fingerprints in the district offices of the Community Care Licensing Division of the State Department of Social Services by July 1, 1999. These live-scan processing units shall be connected to the main system at the Department of Justice by July 1, 1999, and shall become part of that department's pilot project in accordance with its long-range plan. The State Department of Social Services may charge a fee for the costs of processing a set of live-scan fingerprints.

(2) The Department of Justice shall provide a report to the Senate and Assembly fiscal committees, the Assembly Human Services Committee, and to the Senate Health and Human Services Committee by April 15, 1999, regarding the completion of backlogged criminal record clearance requests for all facilities licensed by the State Department of Social Services and the progress on implementing the automated live-scan processing system in the two district offices pursuant to paragraph (1).

(l) Amendments to this section made in the 1999 portion of the 1999-2000 Regular Session shall be implemented commencing 60 days after the effective date of the act amending this section in the 1999 portion of the 1999-2000 Regular Session, except that those provisions for the submission of fingerprints for searching the records of the Federal Bureau of Investigation shall be implemented 90 days after the effective date of that act.

§ 1522.01. Registration as sex offender; disclosure by community care facility client; operator disclosure; improper use; criminal and civil penalties

(a) Any person required to be registered as a sex offender under Section 290 of the Penal Code shall disclose this fact to the licensee of a community care facility before becoming a client of that facility. A community care facility client who fails to disclose to the licensee his or her status as a registered sex offender shall be guilty of a misdemeanor punishable pursuant to subdivision (a) of Section 1540. The community care facility licensee shall not be liable if the client who is required to register as a sex offender fails to disclose this fact to the community care facility

licensee. However, this immunity does not apply if the community care facility licensee knew that the client is required to register as a sex offender.

(b) Any person or persons operating a community care facility pursuant to this chapter that accepts as a client an individual who is required to be registered as a sex offender under Section 290 of the Penal Code, shall confirm or deny whether any client of the facility is a registered sex offender in response to any person who inquires whether any client of the facility is a registered sex offender and who meets any of the following criteria:

- (1) The person is the parent, family member, or guardian of a child residing within a one-mile radius of the facility.
- (2) The person occupies a personal residence within a one-mile radius of the facility.
- (3) The person operates a business within a one-mile radius of the facility.
- (4) The person is currently a client within the facility or a family member of a client within the facility.
- (5) The person is applying for placement in the facility, or placement of a family member in the facility.
- (6) The person is arranging for a client to be placed in the facility.
- (7) The person is a law enforcement officer.

If the community care facility licensee indicates a client is a registered sex offender, the interested person may describe physical characteristics of a client and the facility shall disclose that client's name upon request, if the physical description matches the client. The facility shall also provide the requesting party with the 900 telephone number maintained by the Department of Justice pursuant to Section 290.4 of the Penal Code.

(c) Any person who uses information disclosed pursuant to this section to commit a felony shall be punished, in addition and consecutive to, any other punishment, by a five-year term of imprisonment in the state prison.

(d) Any person who uses information disclosed pursuant to this section to commit a misdemeanor shall be subject to, in addition to any other penalty or fine imposed, a fine of not less than five hundred dollars (\$500) and not more than one thousand dollars (\$1,000).

(e) Except as authorized under another provision of law, or to protect a child, use of any of the information disclosed pursuant to this section for the purpose of applying for, obtaining, or denying any of the following, is prohibited:

- (1) Health insurance.
- (2) Insurance.
- (3) Loans.
- (4) Credit.
- (5) Employment.
- (6) Education, scholarships, or fellowships.
- (7) Benefits, privileges, or services provided by any business establishment.
- (8) Housing or accommodations.

(f) Any use of information disclosed pursuant to this section for purposes other than those provided by subdivisions (a) and (b) shall make the user liable for the actual damages, and any amount that may be determined by a jury or a court sitting without a jury, not exceeding three times the amount of actual damage, and not less than two hundred fifty dollars (\$250), and attorney's fees, exemplary damages, or a civil penalty not exceeding twenty-five thousand dollars (\$25,000).

(g) Whenever there is reasonable cause to believe that any person or group, of persons is engaged in a pattern or practice of misuse of the information disclosed pursuant to this section, the Attorney General, any district attorney, or city attorney, or any person aggrieved by the misuse

of that information is authorized to bring a civil action in the appropriate court requesting preventive relief, including an application for a permanent or temporary injunction, restraining order, or other order against the person or group of persons responsible for the pattern or practice of misuse. The foregoing remedies shall be independent of any other remedies or procedures that may be available to an aggrieved party under other provisions of law, including Part 2 (commencing with Section 43) of Division 1 of the Civil Code.

(h) The civil and criminal penalty money collected pursuant to this section shall be transferred to the Community Care Licensing Division of the State Department of Social Services, upon appropriation by the Legislature.

§ 1522.02. Substitute employee registries; regulations; substituted child care employee registry pilot program

(a) The department may adopt regulations to create substitute employee registries for persons working at more than one facility licensed pursuant to this chapter, Chapter 3.01 (commencing with Section 1568.01), Chapter 3.2 (commencing with Section 1569), Chapter 3.4 (commencing with Section 1569.70), Chapter 3.5 (commencing with Section 1596.90), or Chapter 3.6 (commencing with Section 1597.30), in order to permit these registries to submit fingerprint cards, and child abuse index information for child care registries so that these facilities have available cleared care staff.

(b) The department may operate a substitute child care employee registry pilot program for the purposes of subdivision (a) and may charge participating registry facilities an administrative fee. The pilot program is subject to all of the following:

(1) The pilot program shall be limited to screening employees for facilities licensed as child care facilities.

(2) Registries shall not hire any child care worker for employment at a child care facility who requires an exemption from the criminal background clearance requirements of law.

(3) The department shall only guarantee the authenticity of criminal background and child abuse index information that registries provide to child care facilities. Any other information provided by registries may be verified by child care facility operators.

(4) The department may limit the operation of the pilot program to the Counties of Alameda, Contra Costa, Monterey, San Benito, San Francisco, San Luis Obispo, Santa Barbara, Santa Clara, Santa Cruz, San Mateo, and Ventura.

§ 1522.03. Criminal Record Information; Department of Justice Fee

It is the intent of the Legislature that the Department of Justice charge a fee sufficient to cover its cost in providing services in accordance with Section 1522 to comply with the 14-day requirement for provision to the department of the criminal record information, as contained in subdivision (c) of Section 1522. (Editor's Note: The 14-day turn around requirement was chaptered out by A.B. 1608 (Stats. 1998, Ch. 898) and that the 30 day turn around is still applicable.)

§ 1522.04 Fingerprint live-scan technology; legislative intent

(a) The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval

for persons to operate or provide direct care services in a community care facility, or a residential care facility, child day care facility, or foster family agency, licensed by the department pursuant to this chapter, Chapter 3.01 (commencing with Section 1568.01), Chapter 3.2 (commencing with Section 1569), Chapter 3.4 (commencing with Section 1596.70), Chapter 3.5 (commencing with Section 1596.90), or Chapter 3.6 (commencing with Section 1597.30), or certified family home.

Therefore, the Legislature supports the use of the fingerprint live-scan technology, as identified in the long-range plan of the Department of Justice, for fully automating the processing of fingerprints and other data by the year 1999, otherwise known as the California Crime Information Intelligence System (CAL-CII) to be used for applicant fingerprints. Therefore, when live-scan technology is operational, individuals shall be required to obtain either a criminal record clearance from the Department of Justice or a criminal record exemption from the State Department of Social Services, before their initial presence in a community care facility. The regulations shall also cover the submission of fingerprint information to the Federal Bureau of Investigation.

(b) Upon implementation of an electronic fingerprinting system with terminals located statewide and managed by the Department of Justice, the Department of Justice shall ascertain the criminal history information required pursuant to subdivision (a) of Section 1522.04. The department shall investigate any reports received from the Child Abuse Registry. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective agency which investigated the child abuse report. The department shall not deny a license based upon a report from the Child Abuse Registry unless child abuse is substantiated.

§ 1522.2. Employees charged with abuse not under detention; notice to licensee

(1) The facility shall have one or more facility managers. "Facility manager," as used in this

section, means a person on the premises with the authority and responsibility necessary to manage and control the day-to-day operation of a community care facility and supervise the clients. The facility manager, licensee, and administrator, or any combination thereof, may be the same person provided he or she meets all applicable requirements. If the administrator is also the facility manager for the same facility, this person shall be limited to the administration and management of only one facility.

(2) The facility manager shall have at least one year of experience working with the client group served, or equivalent education or experience, as determined by the department.

(3) A facility manager shall be at the facility at all times when one or more clients are present. To ensure adequate supervision of clients when clients are at the facility outside of their normal schedule, a current telephone number where the facility manager can be reached shall be provided to the clients, licensing agency, school, and any other agency or person as the department determines is necessary. The facility manager shall instruct these agencies and individuals to notify him or her when clients will be returning to the facility outside of the normal hours.

(4) The Legislature intends to upgrade the quality of care in licensed facilities. For the purposes of Sections 1533 and 1534, the licensed facility shall be inspected and evaluated for quality of care at least once each year, without advance notice and as often as necessary, without advance notice, to ensure the quality of care being provided.

Paragraphs (1), (2), and (3) shall apply only to new facilities licensed for six or fewer children which apply for a license after January 1, 1985, and all other new facilities licensed for seven or more children which apply for a license after January 1, 1988. (b) No employee of the state or county employed in the administration of this chapter or employed in a position that is in any way concerned with facilities licensed under this chapter shall hold a license or have a direct or indirect financial interest in a facility described in subdivision (a).

(3) Violation of this subdivision is punishable as a misdemeanor.

(4) The Legislature requests that the Judicial Council study whether the California Code of Judicial Ethics should be amended to further limit or bar gifts from group home facilities

and foster family agencies to judicial officers and employees of the court and to report its findings to the Legislature by July 1, 1999.

§ 1522.41. Certification program; training of group home facilities administrators

(a) The director, in consultation and collaboration with county placement officials, group home provider organizations, the Director of Mental Health and the Director of Developmental Services, shall develop and establish a certification program to ensure that administrators of group home facilities have appropriate training to provide the care and services for which a license or certificate is issued.

(b) (1) In addition to any other requirements or qualifications required by the department, an administrator of a group home facility shall successfully complete a department approved certification program pursuant to subdivision (c) prior to employment. An administrator employed in a group home on the effective date of this section shall meet the requirements of paragraph (2) of subdivision (c).

(2) In those cases where the individual is both the licensee and the administrator of a facility, the individual shall comply with all of the licensee and administrator requirements of this section.

(3) Failure to comply with this section shall constitute cause for revocation of the license of the facility.

(4) The licensee shall notify the department within 10 days of any change in administrators.

(c) (1) The administrator certification programs shall require a minimum of 40 hours of classroom instruction that provides training on a uniform core of knowledge in each of the following areas:

(A) Laws, regulations, and policies and procedural standards that impact the operations of the type of facility for which the applicant will be an administrator.

(B) Business operations.

(C) Management and supervision of staff.

(D) Psychosocial and educational needs of the facility residents.

(E) Community and support services.

(F) Physical needs for facility residents.

(G) Administration, storage, misuse, and interaction of medication used by facility residents.

(H) Resident admission, retention, and assessment procedures.

(I) Nonviolent emergency intervention and reporting requirements.

(2) The department shall adopt separate program requirements for initial certification for persons who are employed as group home administrators on the effective date of this section. A person employed as an administrator of a group home facility on the effective date of this section, shall obtain a certificate by completing the training and testing requirements imposed by the department within 12 months of the effective date of the regulations implementing this section. After the effective date of this section, these administrators shall meet the requirements imposed by the department on all other group home administrators for certificate renewal.

(3) Individuals applying for certification under this section shall successfully complete an approved certification program, pass a written test administered by the department within 60 days of completing the program, and submit to the department the documentation required by subdivision (d) within 30 days after being notified of having passed the test. The department may extend these time deadlines for good cause. The department shall

notify the applicant of his or her test results within 30 days of administering the test.

(d) The department shall not begin the process of issuing a certificate until receipt of all of the following:

(1) A certificate of completion of the administrator training required pursuant to this chapter.

(2) The fee required for issuance of the certificate. A fee of one hundred dollars (\$100) shall be charged by the department to cover the costs of processing the application for certification.

(3) Documentation from the applicant that he or she has passed the written test.

(4) Submission of fingerprints pursuant to Section 1522. The department may waive the submission for those persons who have a current clearance on file.

(5) That person is at least 21 years of age.

(e) It shall be unlawful for any person not certified under this section to hold himself or herself out as a certified administrator of a group home facility. Any person willfully making any false representation as being a certified administrator or facility manager is guilty of a misdemeanor.

(f) (1) Certificates issued under this section shall be renewed every two years and renewal shall be conditional upon the certificate holder submitting documentation of completion of 40 classroom hours of continuing education related to the core of knowledge specified in subdivision (c). For purposes of this section, an individual who is a group home facility administrator and who is required to complete the continuing education hours required by the regulations of the Department of Developmental Services, and approved by the regional center, may have up to 24 of the required continuing education course hours credited toward the 40-hour continuing education requirement of this section. Community college course hours approved by the regional centers shall be accepted by the department for certification.

(2) Every administrator of a group home facility shall complete the continuing education requirements of this subdivision.

(3) Certificates issued under this section shall expire every two years on the anniversary date of the initial issuance of the certificate, except that any administrator receiving his or her initial certification on or after July 1, 1999, shall make an irrevocable election to have his or her recertification date for any subsequent recertification either on the date two years from the date of issuance of the certificate or on the individual's birthday during the second calendar year following certification. The department shall send a renewal notice to the certificate holder 90 days prior to the expiration date of the certificate. If the certificate is not renewed prior to its expiration date, reinstatement shall only be permitted after the certificate holder has paid a delinquency fee equal to three times the renewal fee and has provided evidence of completion of the continuing education required.

(4) To renew a certificate, the certificate holder shall, on or before the certificate expiration date, request renewal by submitting to the department documentation of completion of the required continuing education courses and pay the renewal fee of one hundred dollars (\$100), irrespective of receipt of the department's notification of the renewal. A renewal request postmarked on or before the expiration of the certificate shall be proof of compliance with this paragraph.

(5) A suspended or revoked certificate shall be subject to expiration as provided for in this section. If reinstatement of the certificate is approved by the department, the certificate holder, as a condition precedent to reinstatement, shall submit proof of compliance with paragraphs (1) and (2) of subdivision (f), and shall pay a fee in an amount equal to the renewal fee, plus the delinquency fee, if any, accrued at the time of its revocation or

suspension. Delinquency fees, if any, accrued subsequent to the time of its revocation or suspension and prior to an order for reinstatement, shall be waived for a period of 12 months to allow the individual sufficient time to complete the required continuing education units and to submit the required documentation. Individuals whose certificates will expire within 90 days after the order for reinstatement may be granted a three-month extension to renew their certificates during which time the delinquency fees shall not accrue.

(6) A certificate that is not renewed within four years after its expiration shall not be renewed, restored, reissued, or reinstated except upon completion of a certification training program, passing any test that may be required of an applicant for a new certificate at that time, and paying the appropriate fees provided for in this section.

(7) A fee of twenty-five dollars (\$25) shall be charged for the reissuance of a lost certificate.

(8) A certificate holder shall inform the department of his or her employment status and change of mailing address within 30 days of any change.

(g) Unless otherwise ordered by the department, the certificate shall be considered forfeited under either of the following conditions:

(1) The department has revoked any license held by the administrator after the department issued the certificate.

(2) The department has issued an exclusion order against the administrator pursuant to Sections 1558, 1568.092, 1569.58, or 1596.8897, after the department issued the certificate, and the administrator did not appeal the exclusion order or, after the appeal, the department issued a decision and order that upheld the exclusion order.

(h) (1) The department, in consultation and collaboration with county placement officials, provider organizations, the State Department of Mental Health, and the State Department of Developmental Services, shall establish, by regulation, the program content, the testing instrument, the process for approving certification training programs, and criteria to be used in authorizing individuals, organizations, or educational institutions to conduct certification training programs and continuing education courses. The department may also grant continuing education hours for continuing courses offered by accredited educational institutions that are consistent with the requirements in this section. The department may deny vendor approval to any agency or person in any of the following circumstances:

(A) The applicant has not provided the department with evidence satisfactory to the department of the ability of the applicant to satisfy the requirements of vendorization set out in the regulations adopted by the department pursuant to subdivision (j).

(B) The applicant person or agency has a conflict of interest in that the person or agency places its clients in group home facilities.

(C) The applicant public or private agency has a conflict of interest in that the agency is mandated to place clients in group homes and to pay directly for the services. The department may deny vendorization to this type of agency only as long as there are other vendor programs available to conduct the certification training programs and conduct education courses.

(2) The department may authorize vendors to conduct the administrator's certification training program pursuant to this section. The department shall conduct the written test pursuant to regulations adopted by the department.

(3) The department shall prepare and maintain an updated list of approved training vendors.

(4) The department may inspect certification training programs and continuing education courses to determine if content and teaching methods comply with regulations. If the department determines that any vendor is not complying with the requirements of this

section, the department shall take appropriate action to bring the program into compliance, which may include removing the vendor from the approved list.

(5) The department shall establish reasonable procedures and timeframes not to exceed 30 days for the approval of vendor training programs.

(6) The department may charge a reasonable fee, not to exceed one hundred fifty dollars (\$150) every two years, to certification program vendors for review and approval of the initial 40-hour training program pursuant to subdivision (c). The department may also charge the vendor a fee, not to exceed one hundred dollars (\$100) every two years, for the review and approval of the continuing education courses needed for recertification pursuant to this subdivision.

(i) The department shall establish a registry for holders of certificates that shall include, at a minimum, information on employment status and criminal record clearance.

(j) Subdivisions (b) to (i), inclusive, shall be implemented upon regulations being adopted by the department, by January 1, 2000.

§ 1522.42. Training Requirements for Group Home Facility Managers and Child Care Workers

(b) The regulations required by subdivision (a) shall specify the date by which new and current employees shall be required to meet the standardized training and continuing education requirements. For persons employed as child care staff and facility managers on the effective date of the regulations, the department shall provide adequate time for these persons to comply with the regulatory requirements.

§ 1522.43. Plan of operation; inclusion of time spent on additional duties and method of completion; review; daily schedule

(3) For current licensees, the licensee shall submit an amended plan of operation that contains the information required by paragraph (1) within six months of the effective date of this section. For changes in the group home administrator duties imposed by the department in this chapter or in regulations, a current licensee shall have six months after the effective date of those duties to submit an amended plan of operation to reflect the new administrator duties.

(b) (1) The department may review a group home's plan of operation to determine if the plan of operation is sufficient to ensure that the facility will operate in compliance with applicable licensing laws and regulations. As part of the review, the department may

request that a peer review panel review the plan of operation.

(2) The peer review panel shall consist of two representatives from the department, a qualified group home administrator, an experienced group home provider, and a member or members from the placement agency or agencies that place children in group homes.

(c) A group home shall develop a daily schedule of activities for the children at the facility. The facility shall have this schedule available for inspection by the department. The activities in which the children are scheduled to participate shall be designed to meet the needs of the individual child, and shall be based on that child's needs and services plan.

The revenues collected shall be used in addition to any other funds appropriated in the Budget Act in support of the licensing program.

For fiscal year 1992--93 and thereafter, the department shall submit a budget change proposal to justify any positions or any other related support costs on an ongoing basis.

(c) A facility may use a bona fide business check to pay the license fee required under this section.

(d) Failure to pay required license fees, including the finding of insufficient funds to cover bona fide business checks submitted for the purpose shall constitute grounds for denial of a license or special permit or forfeiture of a license or special permit.

(a) Beginning with the 1996-97 fiscal year, there is hereby created in the State Treasury the Technical Assistance Fund, from which money, upon appropriation by the Legislature in the Budget Act, shall be expended by the department to fund the creation and maintenance of new licensing staff positions to provide technical assistance to licensees paying fees pursuant to those sections specified in subdivision (b).

(b) In order to assure the opportunity for complaints to be made directly to the owner, licensee, or person designated by the owner or licensee, and to provide the opportunity for the owner, licensee, or person designated by the owner or licensee to meet residents and learn of problems in the neighborhood, any facility, except family homes certified by foster family agencies, foster family homes, and small family homes, shall establish a fixed time on a weekly basis when the owner, licensee, or person designated by the owner or licensee will be present.

- (B) In order to facilitate direct contact with group home clients, the department may interview children who are clients of group homes at any public agency or private agency at which the client may be found including, but not limited to, a juvenile hall, recreation or vocational program, or a nonpublic school. The department shall respect the rights of the child while conducting the interview, including informing the child that he or she has the right not to be interviewed and the right to have another adult present during the interview.

- (b) (1) Nothing in this section shall limit the authority of the department to inspect or evaluate a licensed foster family agency, a certified family home, or any aspect of a program where a licensed community care facility is certifying compliance with licensing requirements.
- (2) Upon a finding of noncompliance by the department, the department may require a foster family agency to deny or revoke the certificate of approval of a certified family home, or take other action the department may deem necessary for the protection of a child placed with the family home. The family home shall be afforded the due process provided pursuant to this chapter.
- (3) If the department requires a foster family agency to deny or revoke the certificate of approval, the department shall serve an order of denial or revocation upon the certified or prospective foster parent and foster family agency that shall notify the certified or prospective foster parent of the basis of the department's action and of the certified or prospective foster parent's right to a hearing.
- (4) Within 15 days after the department serves an order of denial or revocation, the certified or prospective foster parent may file a written appeal of the department's decision with the department. The department's action shall be final if the certified or prospective foster parent does not file a written appeal within 15 days after the department serves the denial or revocation order.
- (5) The department's order of the denial or revocation of the certificate of approval shall remain in effect until the hearing is completed and the director has made a final determination on the merits.
- (6) A certified or prospective foster parent who files a written appeal of the department's order with the department pursuant to this section shall, as part of the written request, provide his or her current mailing address. The certified or prospective foster parent shall subsequently notify the department in writing of any change in mailing address, until the hearing process has been completed or terminated.

(9) A foster family agency's failure to comply with the department's order to deny or revoke the certificate of employment by placing or retaining children in care shall be grounds for disciplining the licensee pursuant to Section 1550.

§ 1534.5. Copies of inspection reports to be provided upon request

The state department shall provide the office, as defined in subdivision (c) of Section 9701 of the Welfare and Institutions Code, with copies of inspection reports for community care facilities upon request.

At least annually, the director shall publish and make available to interested persons a list or lists covering all licensed community care facilities, other than foster family homes and certified family homes of foster family agencies providing 24-hour care for six or fewer foster children, and the services for which each facility has been licensed or issued a special permit.

To encourage the recruitment of foster family homes and certified family homes of foster family agencies, protect their personal privacy, and to preserve the security and confidentiality of

the placements in the homes, the names, addresses, and other identifying information of facilities licensed as foster family homes and certified family homes of foster family agencies providing 24-hour care for six or fewer children shall be considered personal information for purposes of the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code). This information shall not be disclosed by any state or local agency pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code) except as necessary for administering the licensing program, facilitating the placement of children in these facilities, and providing names and addresses only to bona fide professional foster parent organizations upon request.

(b) A placement agency shall place individuals only in licensed community care facilities, facilities which are exempt from licensing under Section 1505 or if the facility satisfies subdivision (c) of Section 362 of the Welfare and Institutions Code, or with a foster family agency.

(c) No employee of a placement agency shall place, refer, or recommend placement of a person in a facility operating without a license, unless the facility is exempt from licensing under Section 1505 or unless the facility satisfies subdivision (c) of Section 362 of the Welfare and Institutions Code. Violation of this subdivision is a misdemeanor.

(d) Any employee of a placement agency who knows, or reasonably suspects, that a facility which is not exempt from licensing is operating without a license shall report the name and address of the facility to the department. Failure to report as required by this subdivision is a misdemeanor.

(e) The department shall investigate any report filed under subdivision (d). If the department has probable cause to believe that the facility which is the subject of the report is operating without a license, the department shall investigate the facility within 10 days after receipt of the report.

(f) A placement agency shall notify the appropriate licensing agency of any known or suspected incidents which would jeopardize the health or safety of residents in a community care facility. Reportable incidents include, but are not limited to, all of the following:

- (1) Incidents of physical abuse.

- (3) Any situation in which a facility is unclean, unsafe, unsanitary, or in poor condition.

§ 1536.3. Placement in residential care facility; consideration of compatibility with other residents

A public agency social worker shall, in determining whether to refer an individual to an adult residential care facility, take into account the compatibility of the individual with the other residents in light of any medical diagnoses or behavioral problems.

§ 1537. Contracts for inspection or consultation

The director shall have the authority to contract for personal services as required in order to perform inspections of, or consultation with, community care facilities.

§ 1538. Inspection request; notice of alleged violation; complaint; action by department; proposed course of action

(a) Any person may request an inspection of any community care facility or certified family home in accordance with this chapter by transmitting to the state department notice of an alleged violation of applicable requirements prescribed by statutes or regulations of this state, including, but not limited to, a denial of access of any person authorized to enter the facility pursuant to Section 9701 of the Welfare and Institutions Code. A complaint may be made either orally or in writing.

(b) The substance of the complaint shall be provided to the licensee or certified family home and foster family agency no earlier than at the time of the inspection. Unless the complainant specifically requests otherwise, neither the substance of the complaint provided the licensee or certified family home and foster family agency nor any copy of the complaint or any record published, released, or otherwise made available to the licensee or certified family home and foster family agency shall disclose the name of any person mentioned in the complaint except the name of any duly authorized officer, employee, or agent of the state department conducting the investigation or inspection pursuant to this chapter.

(c) Upon receipt of a complaint, other than a complaint alleging denial of a statutory right of access to a community care facility or certified family home, the state department shall make a preliminary review and, unless the state department determines that the complaint is willfully intended to harass a licensee or is without any reasonable basis, it shall make an onsite inspection of the community care facility or certified family home within 10 days after receiving the complaint, except where a visit would adversely affect the licensing investigation or the investigation of other agencies. In either event, the complainant shall be promptly informed of the state department's proposed course of action.

If the department determines that the complaint is intended to harass, is without a reasonable basis, or, after a site inspection, is unfounded, then the complaint and any documents related to it shall be marked confidential and shall not be disclosed to the public. If the complaint investigation included a site visit, the licensee or certified family home and foster family agency shall be notified in writing within 30 days of the dismissal that the complaint has been dismissed.

(d) Upon receipt of a complaint alleging denial of a statutory right of access to a community care facility or certified family home, the state department shall review the complaint. The complainant shall be notified promptly of the state department's proposed course of action.

(e) The department shall commence performance of complaint inspections of certified family homes upon the employment of sufficient personnel to carry out this function, and by no later than June 30, 1999. Upon implementation, the department shall notify all licensed foster family agencies.

§ 1538.2. Automated license information system

The director shall establish an automated license information system on licensees and former licensees of licensed community care facilities. The system shall maintain a record of any information that may be pertinent, as determined by the director, for licensure under this chapter and Chapter 3.6 (commencing with Section 1597.50). This information may include, but is not limited to, the licensees' addresses, telephone numbers, violations of any laws related to the care of clients in a community care facility, licenses, revocation of any licenses and, to the extent permitted by federal law, social security numbers.

§ 1538.5. Notice of substantiated complaints; transmittal to specified persons; proof of transmittals; penalty action upon failure to comply

(a) (1) Not less than 30 days prior to the anniversary of the effective date of the license of any residential community care facility license, except licensed foster family homes, the department may transmit a copy to the board members of the licensed facility, parents, legal guardians, conservators, client's rights advocate, or placement agency, as designated in each resident's placement agreement, of all inspection reports given to the facility by the department during the past year as a result of a substantiated complaint regarding a violation of this chapter relating to resident abuse and neglect, food, sanitation, incidental medical care, and residential supervision. During that one-year period the copy of the notices transmitted and the proof of the transmittal shall be open for public inspection.

(2) A group home facility shall maintain, at the facility, a copy of all licensing reports for the past three years that would be accessible to the public through the department, for inspection by placement officials, current and prospective facility clients, and these clients' family members who visit the facility.

(b) The facility operator, at the expense of the facility, shall transmit a copy of all substantiated complaints, by certified mail, to those persons described pursuant to paragraph (1) of subdivision (a) in the following cases:

(1) In the case of any substantiated complaint relating to resident physical or sexual abuse, the facility shall have three days, from the date the facility receives the licensing report from the state department to comply.

(2) In any case in which a facility has received three or more substantiated complaints relating to the same violation during the past 12 months, the facility shall have five days from the date the facility receives the licensing report to comply.

(c) Each residential facility shall retain a copy of the notices transmitted pursuant to subdivision (b) and proof of their transmittal by certified mail for a period of one year after their transmittal.

(d) If any residential facility to which this section applies fails to comply with the provisions

of this section, as determined by the state department, the state department shall initiate civil penalty action against the facility in accordance with the provisions of Article 3 (commencing with Section 1530) and the related rules and regulations.

(e) The department shall notify the residential community care facility of its obligation when it is required to comply with this section.

§ 1539. Discrimination or retaliation against persons receiving services or employees of facility

No licensee shall discriminate or retaliate in any manner against any person receiving the services of such licensee's community care facility, or against any employee of such licensee's facility, on the basis, or for the reason that, such person or employee or any other person has initiated or participated in an inspection pursuant to Section 1538.

ARTICLE 4. Offenses

§ 1540. Violation of chapter or regulations; misdemeanor; punishment; operation of community care facility without license; summons

(a) Any person who violates this chapter, or who willfully or repeatedly violates any rule or regulation promulgated under this chapter, is guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed one thousand dollars (\$ 1,000) or by imprisonment in the county jail for a period not to exceed 180 days, or by both such fine and imprisonment.

(b) Operation of a community care facility without a license shall be subject to a summons to appear in court.

§ 1540.1. Community care facilities; violations; penalties; notice

Upon a finding by the licensing authority that a facility is in operation without a license, a peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, may enforce Section 1503.5, or Section 1508, or both sections by utilizing the procedures set forth in Chapter 5 (commencing with Section 853.5) of Title 3 of Part 2 of the Penal Code. A facility violating Section 1503.5 or 1508, or both, is guilty of an infraction punishable by a fine of two hundred dollars (\$ 200) for each day of violation. Upon a determination that a community care facility is in violation of Section 1503.5 or 1508, or both, and after a citation has been issued, the peace officer shall immediately notify the licensing authority in the department.

§ 1540.2. Informing facility of impending and unannounced site visit; misdemeanor

Any person who, without lawful authorization from a duly authorized officer, employee, or agent of the department, informs an owner, operator, employee, agent, or resident of a community care facility, of an impending and unannounced site visit to that facility by personnel of the department is guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed one thousand dollars (\$ 1,000), by imprisonment in the county jail for a period not to exceed 180 days, or by both a fine and imprisonment.

§ 1541. Injunctions

The director may bring an action to enjoin the violation or threatened violation of Section 1503.5 or 1508, or both, in the superior court in and for the county in which the violation occurred or is about to occur. Any proceeding under the provisions of this section shall conform to the requirements of Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure, except that the director shall not be required to allege facts necessary to show or tending to show lack of adequate remedy at law or irreparable damage or loss. Upon a finding by the director that the violations threaten the health or safety of persons in, or served by, a community care facility, the agency contracted with pursuant to Section 1511 may bring an action to enjoin the violation, threatened violation, or continued violation by any community care facility which is located in an area for which it is responsible pursuant to the terms of the contract.

With respect to any and all actions brought pursuant to this section alleging actual violation of Section 1503.5 or 1508, or both, the court shall, if it finds the allegations to be true, issue its order enjoining the community care facility from continuance of the violation.

§ 1542. Actions pending at the time of sale or transfer of facility; abatement

Any action brought by the director against a community care facility shall not abate by reason of a sale or other transfer of ownership of the community care facility which is a party to the action except with express written consent of the director.

§ 1543. District attorney or city attorney; institution and prosecution of actions

Notwithstanding any other provision of this chapter, the district attorney of every county, and city attorneys in those cities which have city attorneys who have jurisdiction to prosecute misdemeanors pursuant to * * * section 72193 of the Government Code, shall, upon their own initiative or upon application by the state department or its authorized representative, institute and conduct the prosecution of any action for violation within his or her county of any provisions of this chapter.

§ 1546. Emergency resident relocation; fund

The department may require 50 percent of each penalty assessed pursuant to Section 1548 to be transmitted to the department for use by the Community Care Licensing

Division of the state department to establish an emergency resident relocation fund to be utilized for the relocation and care of residents when a facility's license is revoked or temporarily suspended, when appropriated by the Legislature. The money in the fund shall cover costs, including but not limited to, transportation expenses, expenses incurred in notifying family members, and any other costs directly associated with providing continuous care to the residents. The department shall seek the advice of providers in developing a state plan for emergency resident relocation.

§ 1547. Violation of sections 1503.5 or 1508; civil penalty; appeal

(a) Notwithstanding any other provision of this chapter, any person who violates Section 1503.5 or 1508, or both, may be assessed by the department an immediate civil penalty in the amount of two hundred dollars (\$ 200) per day of the violation.

(b) The civil penalty authorized in subdivision (a) shall be imposed if an unlicensed facility is operated and the operator refuses to seek licensure or the operator seeks licensure and the licensure application is denied and the operator continues to operate the unlicensed facility, unless other remedies available to the department, including criminal prosecution, are deemed more effective by the department.

(c) An operator may appeal the assessment to the director. The department shall adopt regulations setting forth the appeal procedure.

§ 1548. Civil penalties

(a) In addition to suspension or revocation of a license issued under this chapter, the department may levy a civil penalty in addition to the penalties of suspension or revocation.

(b) The amount of the civil penalty shall not be less than twenty-five dollars (\$ 25) or more than fifty dollars (\$ 50) per day for each violation of this chapter except where the nature or seriousness of the violation or the frequency of the violation warrants a higher penalty or an immediate civil penalty assessment, or both, as determined by the department. In no event, shall a civil penalty assessment exceed one hundred fifty dollars (\$ 150) per day.

(c) Notwithstanding Section 1534, any facility that is cited for repeating the same violation of this chapter within 12 months of the first violation is subject to an immediate civil penalty of one hundred fifty dollars (\$ 150) and fifty dollars (\$ 50) for each day the violation continues until the deficiency is corrected.

(d) Any facility that is assessed a civil penalty pursuant to subdivision (c) which repeats the same violation of this chapter within 12 months of the violation subject to subdivision (c) is subject to an immediate civil penalty of one hundred fifty dollars (\$ 150) for each day the violation continues until the deficiency is corrected.

(e) The department shall adopt regulations implementing this section.

(f) As provided in Section 11466.31 of the Welfare and Institutions Code, the department may offset civil penalties owed by a group home against moneys to be paid by a county for the care of minors after the group home has exhausted its appeal of the civil penalty assessment. The department shall provide the group home a reasonable opportunity to pay the civil penalty before instituting the offset provision.

§ 1549. Remedies not exclusive

The civil, criminal, and administrative remedies available to the department pursuant to this article are not exclusive, and may be sought and employed in any combination deemed advisable by the department to enforce this chapter.

ARTICLE 5. Suspension and Revocation

§ 1550. Licenses or administrator Certificates; suspension, revocation or denial of application; grounds

The department may deny an application for, or suspend or revoke, any license, or any administrator certificate, issued under this chapter upon any of the following grounds and in the manner provided in this chapter:

(a) Violation by the licensee or holder of a special permit of this chapter or of the rules and regulations promulgated under this chapter.

(b) Aiding, abetting, or permitting the violation of this chapter or of the rules and regulations promulgated under this chapter.

(c) Conduct which is inimical to the health, morals, welfare, or safety of either an individual in, or receiving services from, the facility or the people of the State of California.

(d) The conviction of a licensee, or other person mentioned in Section 1522, at any time before or during licensure, of a crime as defined in Section 1522.

(e) The licensee of any facility or the person providing direct care or supervision knowingly allows any child to have illegal drugs or alcohol.

(f) Engaging in acts of financial malfeasance concerning the operation of a facility, including, but not limited to, improper use or embezzlement of client moneys and property or fraudulent appropriation for personal gain of facility moneys and property, or willful or negligent failure to provide services.

§ 1550.5. Procedure for Temporary Suspension of License; notice; hearings

The director may temporarily suspend any license prior to any hearing when, in the opinion of the director, the action is urgent to protect residents or clients of the facility from physical or mental abuse, abandonment, or any other substantial threat to health or safety. The director shall serve the licensee with the temporary suspension order, a copy of available discovery and other relevant evidence in the possession of the department, including, but not limited to, affidavits, declarations, and any other evidence upon which the director relied in issuing the temporary suspension order, the names of the department's witnesses, and the effective date of the temporary suspension and at the same time shall serve the licensee with an accusation.

(a) (1) The department shall notify the licensee, upon service of an order of temporary license suspension, of the licensee's right to an interim hearing on the order. The department shall also provide the licensee with a form and appropriate information for the licensee's use in requesting an interim hearing. The department shall also notify the licensee, upon service, of the licensee's independent right to seek review of the order by the superior court pursuant to Section 1085 of the Code of Civil Procedure.

(2) (A) The licensee may request an interim hearing by mailing or delivering a written request to the Office of Administrative Hearings. The licensee shall mail or deliver the request to the address or location specified on the request form served with the

order. The licensee shall mail or deliver the request within five days after service of the order. Upon receipt of a timely request for an interim hearing, the Office of Administrative Hearings shall set a hearing date and time which shall be within 10 working days of the office's receipt of the request. The Office of Administrative Hearings shall promptly notify the licensee of the date, time, and place of the hearing. The licensee's request for an interim hearing shall not stay the operation of the order.

(B) Nothing in this section precludes a licensee from proceeding directly to a full evidentiary hearing or from seeking review of the temporary suspension order by the superior court without first requesting an interim hearing. Nothing in this section requires resolution of the interim hearing prior to review of the temporary suspension order by the superior court. The relief that may be ordered is a stay of the temporary suspension order.

(3) (A) An interim hearing shall be held before an administrative law judge of the Office of Administrative Hearings. The interim hearing shall be held at the regional office of the Office of Administrative Hearings having jurisdiction over the location of the facility.

(B) For purposes of the interim hearing conducted pursuant to this section, the licensee and department shall, at a minimum, have the following rights:

(i) To be represented by counsel.

(ii) To have a record made of the proceedings, copies of which may be obtained by the licensee upon payment of reasonable charges associated with the record.

(iii) To present written evidence in the form of relevant declarations, affidavits, and documents. No later than five working days prior to the interim hearing, the department and the respondent shall serve the opposing party, by overnight delivery or facsimile transmission, with any additional available pertinent discovery that the department or respondent will present at the hearing and that was not provided to the licensee at the time the temporary suspension order was issued. The additional discovery shall include, but not be limited to, affidavits, declarations, and the names of witnesses who will testify at the full evidentiary hearing. The department and the respondent shall have a continuing obligation to exchange discovery as described in this section, up to and including the day of the interim hearing. There shall be no oral testimony at the interim hearing.

(iv) In lieu of an affidavit by an alleged victim named in the accusation, the department and the respondent shall be permitted, at the discretion of the administrative law judge, to introduce at the interim hearing hearsay evidence as to any statement made by the alleged victim as if the alleged victim executed an affidavit. In deciding whether the hearsay statement should be admitted as evidence in the interim hearing, the administrative law judge shall consider the circumstances that would indicate the trustworthiness of the statement.

(v) To present oral argument.

(C) Consistent with the standards of proof applicable to a preliminary injunction entered under Section 527 of the Code of Civil Procedure, the administrative law judge shall vacate the temporary suspension order where, in the exercise of

discretion, the administrative law judge concludes both of the following:

- (i) There is a reasonable probability that the licensee will prevail in the underlying action.
- (ii) The likelihood of physical or mental abuse, abandonment, or other substantial threat to the health or safety of residents or clients in not sustaining the order does not outweigh the likelihood of injury to the licensee in sustaining the order.

(D) The interim hearing shall be reported or recorded pursuant to subdivision (d) of Section 11512 of the Government Code.

(4) The administrative law judge shall issue a verbal interim decision at the conclusion of the interim hearing which sustains or vacates the order. The administrative law judge shall issue a written interim decision within five working days following the conclusion of the interim hearing. The written interim decision shall include findings of fact and a conclusion articulating the connection between the evidence produced at the hearing and the decision reached.

(5) The interim decision shall be subject to review only pursuant to Section 1094.5 of the Code of Civil Procedure. The department or the licensee may file a petition for that review. A petition for review under Section 1094.5 of the Code of Civil Procedure shall be heard by the court within 10 days of its filing and the court shall issue its judgment on the petition within 10 days of the conclusion of the hearing.

(6) The department may proceed with the accusation as otherwise provided by this section and Section 1551 notwithstanding an interim decision by the administrative law judge that vacates the order of temporary license suspension.

(b) Upon receipt of a notice of defense to the accusation by the licensee, the director shall, within 15 days, set the matter for a full evidentiary hearing, and the hearing shall be held as soon as possible but not later than 30 days after receipt of the notice. The temporary suspension shall remain in effect until the time the hearing is completed and the director has made a final determination on the merits, unless it is earlier vacated by interim decision of the administrative law judge or a superior court judge. However, the temporary suspension shall be deemed vacated if the director fails to make a final determination on the merits within 30 days after the original hearing has been completed.

§ 1551. License, registration, special permit, or Administrator Certificate; suspension, revocation, or denial proceedings; law governing; standard of proof; hearings; continuances

(a) Proceedings for the suspension, revocation, or denial of a license, registration, special permit, or any administrator certificate under this chapter shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the state department shall have all the powers granted by those provisions. In the event of conflict between this chapter and the Government Code, the Government Code shall prevail.

(b) In all proceedings conducted in accordance with this section, the standard of proof to be applied shall be by the preponderance of the evidence.

(c) If the license is not temporarily suspended pursuant to Section 1550, the hearing shall be held within 90 calendar days after receipt of the notice of defense, unless a continuance of the hearing is granted by the department or the administrative law judge. When the matter has been

set for hearing only the administrative law judge may grant a continuance of the hearing. The administrative law judge may, but need not, grant a continuance of the hearing only upon finding the existence of one or more of the following:

- (1) The death or incapacitating illness of a party, a representative or attorney of a party, a witness to an essential fact, or of the parent, child, or member of the household of such person, when it is not feasible to substitute another representative, attorney, or witness because of the proximity of the hearing date.
- (2) Lack of notice of hearing as provided in Section 11509 of the Government Code.
- (3) A material change in the status of the case where a change in the parties or pleadings requires postponement, or an executed settlement or stipulated findings of fact obviate the need for hearing. A partial amendment of the pleadings shall not be good cause for continuance to the extent that the unamended portion of the pleadings is ready to be heard.
- (4) A stipulation for continuance signed by all parties or their authorized representatives, including, but not limited to, a representative, which is communicated with the request for continuance to the administrative law judge no later than 25 business days before the hearing.
- (5) The substitution of the representative or attorney of a party upon showing that the substitution is required.
- (6) The unavailability of a party, representative, or attorney of a party, or witness to an essential fact due to a conflicting and required appearance in a judicial matter if when the hearing date was set, the person did not know and could neither anticipate nor at any time avoid the conflict, and the conflict with request for continuance is immediately communicated to the administrative law judge.
- (7) The unavailability of a party, a representative or attorney of a party, or a material witness due to an unavoidable emergency.
- (8) Failure by a party to comply with a timely discovery request if the continuance request is made by the party who requested the discovery.

§ 1551.1. Hearing; testimony of child or similarly vulnerable witness outside the presence of the respondent; conditions; closed circuit television; clearing of hearing room

(a) The administrative law judge conducting a hearing under this article may permit the testimony of a child witness, or a similarly vulnerable witness, including a witness who is developmentally disabled, to be taken outside the presence of the respondent or respondents if all of the following conditions exist:

- (1) The administrative law judge determines that taking the witness's testimony outside the presence of the respondent or respondents is necessary to ensure truthful testimony.
- (2) The witness is likely to be intimidated by the presence of the respondent or respondents.
- (3) The witness is afraid to testify in front of the respondent or respondents.

(b) If the testimony of the witness is taken outside of the presence of the respondent or respondents, the department shall provide for the use of one-way closed-circuit television so the respondent or respondents can observe the testimony of the witness. Nothing in this section shall limit a respondent's right of cross-examination.

(c) The administrative law judge conducting a hearing under this section may clear the hearing room of any persons who are not a party to the action in order to protect any witness from

intimidation or other harm, taking into account the rights of all persons.

§ 1551.2. Witnesses under age of 12; hearsay testimony

(a) (1) An out-of-court statement made by a minor under 12 years of age who is the subject or victim of an allegation at issue is admissible evidence at an administrative hearing conducted pursuant to this article. The out-of-court statement may be used to support a finding of fact unless an objection is timely made and the objecting party establishes that the statement is unreliable because it was the product of fraud, deceit, or undue influence. However, the out-of-court statement may not be the sole basis for the finding of fact, unless the adjudicator finds that the time, content, and circumstances of the statement provide sufficient indicia of reliability.

(2) The proponent of the statement shall give reasonable notice to all parties of the intended introduction of the statement at the hearing.

(3) For purposes of this subdivision, an objection is timely if it identifies with reasonable specificity the disputed out-of-court statement and it gives the proponent of the evidence a reasonable period of time to prepare a response to the objection prior to the hearing.

(b) This section shall not be construed to limit the right of any party to the administrative hearing to subpoena a witness whose statement is admitted as evidence or to introduce admissible evidence relevant to the weight of the hearsay evidence or the credibility of the hearsay declarant.

§ 1551.5. Witness fees and mileage; payment of expenses

Notwithstanding Section 11510 of the Government Code, witnesses subpoenaed at the request of the department for a hearing conducted pursuant to this article who attend a hearing may be paid by the department witness fees and mileage as provided by Section 68093 of the Government Code. In addition, the department may pay actual, necessary, and reasonable expenses in an amount not to exceed the per diem allowance payable to a nonrepresented state employee on travel status. The department may pay witness expenses pursuant to this section in advance of the hearing.

§ 1553. Withdrawal of application; disciplinary actions following suspension, expiration or forfeiture

The withdrawal of an application for a license or a special permit after it has been filed with the state department shall not, unless the state department consents in writing to such withdrawal, deprive the state department of its authority to institute or continue a proceeding against the applicant for the denial of the license or a special permit upon any ground provided by law or to enter an order denying the license or special permit upon any such ground.

The suspension, expiration, or forfeiture by operation of law of a license or a special permit issued by the state department, or its suspension, forfeiture, or cancellation by order of the state department or by order of a court of law, or its surrender without the written consent of the state department, shall not deprive the state department of its authority to institute or continue a

disciplinary proceeding against the licensee or holder of a special permit upon any ground provided by law or to enter an order suspending or revoking the license or special permit or otherwise taking disciplinary action against the licensee or holder of a special permit on any such ground.

§ 1554. Reinstatement of revoked license, registration, or special permit

Any license, registration, or special permit suspended pursuant to this chapter, and any special permit revoked pursuant to this chapter, may be reinstated pursuant to the provisions of Section 11522 of the Government Code.

§ 1555. Written notice to local social services director and county probation officer

Whenever a license, registration, or special permit issued under this chapter for a community care facility is suspended, revoked, temporarily suspended, forfeited, canceled, or expires, the department shall provide written notice of that occurrence within 10 days to the local director of social services and the probation officer of the county in which the community care facility is located.

§ 1556. Community care facilities; temporary suspension of licenses; transfer of residents or clients

(a) If the director determines that it is necessary to temporarily suspend any license or special permit of a community care facility in order to protect the residents or clients of the facility from physical or mental abuse, abandonment, or any other substantial threat to health or safety, the department shall make every effort to minimize transfer trauma for the residents or clients.

(b) The department shall contact any local agency that may have placement or advocacy responsibility for the residents or clients of a facility after a decision is made to temporarily suspend the license or special permit of the facility and prior to its implementation. The department shall work with these agencies to locate alternative placement sites and to contact relatives responsible for the care of these clients or residents.

(c) In any case where the department alleges that a client or resident has a health condition or health conditions which cannot be cared for within the limits of the license or special permit, or requires inpatient care in a health facility licensed pursuant to Chapter 2 (commencing with Section 1250), the department shall do all of the following:

(1) Consult with physicians and surgeons about when the client or resident should be removed from the facility and how transfer trauma can be minimized.

(2) If the department temporarily suspends the license or special permit of a facility, use physicians and surgeons or other medical personnel deemed appropriate by the department to provide onsite evaluation of the clients or residents.

(3) If the department does not suspend the license or special permit of a facility, order the licensee to remove only those clients or residents who have health conditions which cannot be cared for within the limits of the license or special permit or require inpatient care in a health facility licensed pursuant to Chapter 2 (commencing with Section 1250), as determined by the department, if the department determines that other clients or residents are not in physical danger.

(d) In any case where the department orders the licensee, or holder of a special permit, to remove a client or resident who has a health condition or health conditions which cannot be cared for within the limits of the license or special permit or requires inpatient care in a health facility licensed pursuant to Chapter 2 (commencing with Section 1250), the licensee or holder of a special permit shall do all of the following:

- (1) Prepare and submit to the department a written plan for relocation of the client or resident, in a form acceptable to the department.
- (2) Comply with all terms and conditions of the approved relocation plan.
- (3) Provide any other information as may be required by the department for the proper administration and enforcement of this section.

§ 1557. Report on implementation of 1556

The Auditor General shall report to the Legislature by April 1, 1988, on the implementation of the procedures established in Section 1556.

§ 1557.5. Records of licensed facilities

Each facility required to be licensed shall keep a current record of all of the following:

- (a) Clients in the facility, including each client's name and ambulatory status.
- (b) The name, address, and telephone number of each client's physician.
- (c) The name, address, and telephone number of any person or agency responsible for the care of a client.

The facility shall respect the privacy and confidentiality of this information.

ARTICLE 5.5 Employee Actions

§ 1558. Persons prohibited from employment; dismissal or removal; appeal

(a) The department may prohibit any person from being a member of the board of directors, an executive director, or an officer of a licensee, or a licensee from employing, or continuing the employment of, or allowing in a licensed facility, or allowing contact with clients of a licensed facility by, any employee, prospective employee, or person who is not a client who has:

- (1) Violated, or aided or permitted the violation by any other person of, any provisions of this chapter or of any rules or regulations promulgated under this chapter.
- (2) Engaged in conduct which is inimical to the health, morals, welfare, or safety of either an individual in or receiving services from the facility, or the people of the State of California.
- (3) Been denied an exemption to work or to be present in a facility, when that person has been convicted of a crime as defined in Section 1522.
- (4) Engaged in any other conduct which would constitute a basis for disciplining a licensee.
- (5) Engaged in acts of financial malfeasance concerning the operation of a facility, including, but not limited to, improper use or embezzlement of client moneys and property or fraudulent appropriation for personal gain of facility moneys and property, or willful or negligent failure to provide services.

(b) The excluded person, the facility, and the licensee shall be given written notice of the basis of the department's action and of the excluded person's right to an appeal. The notice shall

be served either by personal service or by registered mail. Within 15 days after the department serves the notice, the excluded person may file with the department a written appeal of the exclusion order. If the excluded person fails to file a written appeal within the prescribed time, the department's action shall be final.

(c) (1) The department may require the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or exclusion of an employee, prospective employee, or person who is not a client from a facility pending a final decision of the matter, when, in the opinion of the director, the action is necessary to protect residents or clients from physical or mental abuse, abandonment, or any other substantial threat to their health or safety.

(2) If the department requires the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or exclusion of an employee, prospective employee, or person who is not a client from a facility, the department shall serve an order of immediate exclusion upon the excluded person which shall notify the excluded person of the basis of the department's action and of the excluded person's right to a hearing.

(3) Within 15 days after the department serves an order of immediate exclusion, the excluded person may file a written appeal of the exclusion with the department. The department's action shall be final if the excluded person does not appeal the exclusion within the prescribed time. The department shall do the following upon receipt of a written appeal:

(A) Within 30 days of receipt of the appeal, serve an accusation upon the excluded person.

(B) Within 60 days of receipt of a notice of defense pursuant to Section 11506 of the Government Code by the excluded person to conduct a hearing on the accusation.

(4) An order of immediate exclusion of the excluded person from the facility shall remain in effect until the hearing is completed and the director has made a final determination on the merits. However, the order of immediate exclusion shall be deemed vacated if the director fails to make a final determination on the merits within 60 days after the original hearing has been completed.

(d) An excluded person who files a written appeal with the department pursuant to this section shall, as part of the written request, provide his or her current mailing address. The excluded person shall subsequently notify the department in writing of any change in mailing address, until the hearing process has been completed or terminated.

(e) Hearings held pursuant to this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Division 3 of Title 2 of the Government Code. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department.

(f) The department may institute or continue a disciplinary proceeding against a member of the board of directors, an executive director, or an officer of a licensee or an employee, prospective employee, or person who is not a client upon any ground provided by this section, or enter an order prohibiting any person from being a member of the board of directors, an executive director, or an officer of a licensee or the excluded person's employment or presence in the facility or otherwise take disciplinary action against the excluded person, notwithstanding any resignation, withdrawal of employment application, or change of duties by the excluded person, or any discharge, failure to hire, or reassignment of the excluded person by the licensee or that the

excluded person no longer has contact with clients at the facility.

(g) A licensee's failure to comply with the department's exclusion order after being notified of the order shall be grounds for disciplining the licensee pursuant to Section 1550.

(h) (1) (A) In cases where the excluded person appealed the exclusion order, the person shall be prohibited from working in any facility or being licensed to operate any facility licensed by the department or from being a certified foster parent for the remainder of the excluded person's life, unless otherwise ordered by the department.

(B) The excluded individual may petition for reinstatement one year after the effective date of the decision and order of the department upholding the exclusion order pursuant to Section 11522 of the Government Code. The department shall provide the excluded person with a copy of Section 11522 of the Government Code with the decision and order.

(2) (A) In cases where the department informed the excluded person of his or her right to appeal the exclusion order and the excluded person did not appeal the exclusion order, the person shall be prohibited from working in any facility or being licensed to operate any facility licensed by the department or a certified foster parent for the remainder of the excluded person's life, unless otherwise ordered by the department.

(B) The excluded individual may petition for reinstatement after one year has elapsed from the date of the notification of the exclusion order pursuant to Section 11522 of the Government Code. The department shall provide the excluded person with a copy of Section 11522 of the Government Code with the exclusion order.

§ 1558.1 Exclusion of certain persons from licensed facilities

(a) (1) If the department determines that a person was issued a license under this chapter or under Chapter 1 (commencing with Section 1200), Chapter 2 (commencing with Section 1250), Chapter 3.01 (commencing with Section 1568.01), Chapter 3.2 (commencing with Section 1569), Chapter 3.4 (commencing with Section 1596.70), Chapter 3.5 (commencing with Section 1596.90), or Chapter 3.6 (commencing with Section 1597.30) and the prior license was revoked within the preceding two years, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to the chapter.

(2) If the department determines that a person previously was issued a certificate of approval by a foster family agency which was revoked by the department pursuant to subdivision (b) of Section 1534 within the preceding two years, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter.

(b) If the department determines that the person had previously applied for a license under any of the chapters listed in paragraph (1) of subdivision (a) and the application was denied within the last year, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter and as follows:

(1) In cases where the applicant petitioned for a hearing, the department shall exclude the

person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the effective date of the decision and order of the department upholding a denial.

(2) In cases where the department informed the applicant of his or her right to petition for a hearing and the applicant did not petition for a hearing, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the date of the notification of the denial and the right to petition for a hearing.

(c) If the department determines that the person had previously applied for a certificate of approval with a foster family agency and the department ordered the foster family agency to deny the application pursuant to subdivision (b) of Section 1534, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter and as follows:

(1) In cases where the applicant petitioned for a hearing, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the effective date of the decision and order of the department upholding a denial.

(2) In cases where the department informed the applicant of his or her right to petition for a hearing and the applicant did not petition for a hearing, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the date of the notification of the denial and the right to petition for a hearing.

(d) Exclusion or removal of an individual pursuant to this section shall not be considered an order of exclusion for purposes of Section 1558 or any other law.

(e) The department may determine not to exclude the person from, or remove the person from the position of a member of the board of directors, an executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter if it has determined that the reasons for the denial of the application or revocation of the facility license or certificate of approval were due to circumstances and conditions that either have been corrected or are no longer in existence.

ARTICLE 5.7 Out-of-Home Placement Pilot Program

§ 1559.110. Transitional housing placement programs; licensing; services; exemptions; regulations

(a) Except as provided in subdivision (e), the State Department of Social Services shall license community care facilities participating in transitional housing placement programs, as designated in Sections 11400 and 16522 of the Welfare and Institutions Code.

(b) Transitional housing placement programs shall provide supervised housing services to persons who are at least 16 years of age and not more than 18 years of age, except as provided

in Section 11403 of the Welfare and Institutions Code , and who meet all of the following conditions:

- (1) Meet the requirements of Section 11401 of the Welfare and Institutions Code.
- (2) Are in out-of-home placement under the supervision of the county department of social services or the county probation department.
- (3) Are participating in, or have successfully completed, an independent living program.

(c) A transitional housing placement program may also serve any person less than 21 years of age * * * pursuant to paragraph (2) of subdivision (a) of Section 11403.2 of the Welfare and Institutions Code.

(d) Transitional housing placement program services shall include any of the following:

(1) Programs in which one or more participants in the program live in an apartment, single family dwelling, or condominium with an adult employee of the provider.

(2) Programs in which a participant lives independently in an apartment, single family dwelling, or condominium rented or leased by the provider located in a building in which one or more adult employees of the provider reside and provide supervision.

(3) Programs in which a participant lives independently in an apartment, single family dwelling or condominium rented or leased by a provider under the supervision of the provider if the State Department of Social Services provides approval.

(e) A transitional housing placement facility that serves only youth over 18 years of age who have emancipated from the foster care system shall not be subject to subdivision (a), provided the facility has been certified to provide transitional housing services by the appropriate county social services or probation department , and has obtained a local fire clearance. No later than June 30, 2002, the department shall establish certification standards and procedures in consultation with the County Welfare Directors Association, the California Youth Connection, the county probation departments, and provider representatives. The certification standards shall include, but not be limited to, a criminal background check of transitional housing providers and staff.

(f) (1) The department shall adopt regulations to govern transitional housing placement facilities licensed pursuant to this section.

(3) The regulations shall be age-appropriate and recognize that youth who are about to emancipate from the foster care system should be subject to fewer restrictions than those who are younger. At a minimum, the regulations shall provide for both of the following:

(A) Require programs that serve youth who are both in and out of the foster care system to have separate rules and program design, as appropriate, for these two groups of youth.

(B) Allow youth who have emancipated from the foster care system to have the greatest amount of freedom possible in order to prepare them for self-sufficiency.

§ 1559.115. License: Issuance

No applicant shall be issued a license pursuant to this article unless the county department of social services or the county probation department, in the county where the license will be issued, has certified the program as described in Section 16522.1 of the Welfare and Institutions

Code.

ARTICLE 6. Other Provisions

§ 1560. Bond

(a) The director shall require as a condition precedent to the issuance of any license or special permit for a community care facility, if the licensee or holder of a special permit handles or will handle any money of a person within the community care facility, that the applicant for the license or special permit file or have on file with the state department a bond issued by a surety company admitted to do business in this state in a sum to be fixed by the state department based upon the magnitude of the operations of the applicant, but which sum shall not be less than one thousand dollars (\$ 1,000), running to the State of California and conditioned upon his or her faithful and honest handling of the money of persons within the facility.

(b) The failure of any licensee under this chapter to maintain on file with the state department a bond in the amount prescribed by the director or who embezzles the trust funds of a person in the facility shall constitute cause for the revocation of the license.

(c) The provisions of this section shall not apply if the licensee meets both of the following requirements:

(1) The licensee operates a community care facility which is licensed to care for children including, but not limited to, a foster family home.

(2) The licensee handles moneys of persons within the community care facility in amounts less than fifty dollars (\$ 50) per person and less than five hundred dollars (\$ 500) for all persons in any month.

§ 1561. Variance from bonding requirements

The director may grant a partial or total variance from the bonding requirements of Section 1560 for any community care facility if he finds that compliance with them is so onerous that a community care facility will cease to operate, and if he also finds that money of the persons received or cared for in the community care facility has been, or will be, deposited in a bank in this state, in a trust company authorized to transact a trust business in this state, or in a savings and loan association in this state, upon condition that such money may not be withdrawn except on authorization of the guardian or conservator of such person.

§ 1562. Training of operators and staff

The director shall ensure that operators and staffs of community care facilities have appropriate training to provide the care and services for which a license or certificate is issued.

§ 1562.3. Adult residential facilities; operator and staff training programs; administrator certification; penalties; registry of certificate holders

(a) The State Director of Social Services, in consultation with the State Director of Mental Health and the State Director of Developmental Services, shall establish a training program to ensure that licensees, operators, and staffs of adult residential facilities have appropriate training to provide the care and services for which a license or certificate is issued. The training program shall be developed in consultation with provider organizations.

(b) (1) An administrator of an adult residential care facility shall successfully complete a department approved certification program pursuant to subdivision (c) prior to employment.

(2) In those cases where the individual is both the licensee and the administrator of a facility, the individual shall comply with both the licensee and administrator requirements of this section.

(3) Failure to comply with this section shall constitute cause for revocation of the license of the facility.

(4) The licensee shall notify the department within 30 days of any change in administrators.

(c) (1) The administrator certification program shall require a minimum of 35 hours of classroom instruction that provides training on a uniform core of knowledge in each of the following areas:

(A) Laws, regulations, and policies and procedural standards that impact the operations of the type of facility for which the applicant will be an administrator.

(B) Business operations.

(C) Management and supervision of staff.

(D) Psychosocial needs of the facility residents.

(E) Community and support services.

(F) Physical needs for facility residents.

(G) Use, misuse, and interaction of medication commonly used by facility residents.

(H) Resident admission, retention, and assessment procedures.

(I) Nonviolent crisis intervention for administrators.

(2) The requirement for 35 hours of classroom instruction pursuant to this subdivision shall not apply to persons who were employed as administrators prior to July 1, 1996. A person holding the position of administrator of an adult residential facility on June 30, 1996, shall file a completed application for certification with the department on or before April 1, 1998.

In order to be exempt from the 35-hour training program and the test component, the application shall include documentation showing proof of continuous employment as the administrator of an adult residential facility between, at a minimum, June 30, 1994, and June 30, 1996. An administrator of an adult residential facility who became certified as a result of passing the department-administered challenge test, that was offered between October 1, 1996, and December 23, 1996, shall be deemed to have fulfilled the requirements of this paragraph.

(3) Unless an extension is granted to the applicant by the department, an applicant for an administrator's certificate shall, within 60 days of the applicant's completion of classroom instruction, pass the written test provided in this section.

(d) The department shall not begin the process of issuing a certificate until receipt of all of the following:

(1) A certificate of completion of the administrator training required pursuant to this chapter.

(2) The fee required for issuance of the certificate. A fee of one hundred dollars (\$100) shall be charged by the department to cover the costs of processing the application for certification.

(3) Documentation from the applicant that he or she has passed the written test.

(4) Submission of fingerprints. The department and the Department of Justice shall expedite the criminal record clearance for holders of certificates of completion. The department may waive the submission for those persons who have a current clearance on file.

(e) It shall be unlawful for any person not certified under this section to hold himself or herself out as a certified administrator of an adult residential facility. Any person willfully making any false representation as being a certified administrator is guilty of a misdemeanor.

(f) (1) Certificates issued under this section shall be renewed every two years and renewal shall be conditional upon the certificate holder submitting documentation of completion of 40 hours of continuing education related to the core of knowledge specified in subdivision (c). For purposes of this section, an individual who is an adult residential facility administrator and who is required to complete the continuing education hours required by the regulations of the State Department of Developmental Services, and approved by the regional center, shall be permitted to have up to 24 of the required continuing education course hours credited toward the 40-hour continuing education requirement of this section. Community college course hours approved by the regional centers shall be accepted by the department for certification.

(2) Every licensee and administrator of an adult residential facility is required to complete the continuing education requirements of this subdivision.

(3) Certificates issued under this section shall expire every two years, on the anniversary date of the initial issuance of the certificate, except that any administrator receiving his or her initial certification on or after January 1, 1999, shall make an irrevocable election to have his or her recertification date for any subsequent recertification either on the date two years from the date of issuance of the certificate or on the individual's birthday during the second calendar year following certification. The department shall send a renewal notice to the certificate holder 90 days prior to the expiration date of the certificate. If the certificate is not renewed prior to its expiration date, reinstatement shall only be permitted after the certificate holder has paid a delinquency fee equal to three times the renewal fee and has provided evidence of completion of the continuing education required.

(4) To renew a certificate, the certificate holder shall, on or before the certificate expiration date, request renewal by submitting to the department documentation of completion of the required continuing education courses and pay the renewal fee of one hundred dollars (\$100), irrespective of receipt of the department's notification of the renewal. A renewal request postmarked on or before the expiration of the certificate is proof of compliance with this paragraph.

(5) A suspended or revoked certificate is subject to expiration as provided for in this section. If reinstatement of the certificate is approved by the department, the certificate holder, as a condition precedent to reinstatement, shall submit proof of compliance with paragraphs (1) and (2) of subdivision (f) and shall pay a fee in an amount equal to the renewal fee, plus the delinquency fee, if any, accrued at the time of its revocation or suspension. Delinquency fees, if any, accrued subsequent to the time of its revocation or suspension and prior to an order for reinstatement, shall be waived for one year to allow the individual sufficient time to complete the required continuing education units and to submit the required documentation. Individuals whose certificates will expire within 90 days after the order for reinstatement may be granted a three-month extension to renew their certificates during which time the delinquency fees shall not accrue.

(6) A certificate that is not renewed within four years after its expiration shall not be

renewed, restored, reissued, or reinstated except upon completion of a certification training program, passing any test that may be required of an applicant for a new certificate at that time, and paying the appropriate fees provided for in this section.

(7) A fee of twenty-five dollars (\$25) shall be charged for the reissuance of a lost certificate.

(8) A certificate holder shall inform the department of his or her employment status within 30 days of any change.

(g) The certificate shall be considered forfeited under the following conditions:

(1) The administrator has had a license revoked, suspended, or denied as authorized under Section 1550.

(2) The administrator has been denied employment, residence, or presence in a facility based on action resulting from an administrative hearing pursuant to Section 1522 or Section 1558.

(h) (1) The department, in consultation with the Department of Mental Health and the Department of Developmental Services, shall establish, by regulation, the program content, the testing instrument, the process for approving certification training programs, and criteria to be used in authorizing individuals, organizations, or educational institutions to conduct certification training programs and continuing education courses. These regulations shall be developed in consultation with provider organizations, and shall be made available at least six months prior to the deadline required for certification. The department may deny vendor approval to any agency or person in any of the following circumstances:

(A) The applicant has not provided the department with evidence satisfactory to the department of the ability of the applicant to satisfy the requirements of vendorization set out in the regulations adopted by the department pursuant to subdivision (i).

(B) The applicant person or agency has a conflict of interest in that the person or agency places its clients in adult residential facilities.

(C) The applicant public or private agency has a conflict of interest in that the agency is mandated to place clients in adult residential facilities and to pay directly for the services. The department may deny vendorization to this type of agency only as long as there are other vendor programs available to conduct the certification training programs and conduct education courses.

(2) The department may authorize vendors to conduct the administrator's certification training program pursuant to provisions set forth in this section. The department shall conduct the written test pursuant to regulations adopted by the department.

(3) The department shall prepare and maintain an updated list of approved training vendors.

(4) The department may inspect certification training programs and continuing education courses to determine if content and teaching methods comply with regulations. If the department determines that any vendor is not complying with the intent of this section, the department shall take appropriate action to bring the program into compliance, which may include removing the vendor from the approved list.

(5) The department shall establish reasonable procedures and timeframes not to exceed 30 days for the approval of vendor training programs.

(6) The department may charge a reasonable fee, not to exceed one hundred fifty dollars (\$150) every two years to certification program vendors for review and approval of the initial 35-hour training program pursuant to subdivision (c). The department may also charge the vendor a fee not to exceed one hundred dollars (\$100) every two years for the review and approval of the continuing education courses needed for recertification

pursuant to this subdivision.

(i) This section shall be operative upon regulations being adopted by the department, no later than July 1, 1996, to implement the administrator certification program as provided for in this section. If regulations are not adopted by the department, or are adopted after July 1, 1996, this section shall not become operative.

(j) The department shall establish a registry for holders of certificates that shall include, at a minimum, information on employment status and criminal record clearance.

§ 1562.4. Adult residential facilities; administrators; qualifications

Any person who becomes an administrator of an adult residential facility on or after July 1, 1996, shall, at a minimum, fulfill all of the following requirements:

(a) Be at least 21 years of age.

(b) Provide documentation of having successfully completed a certification program approved by the department and successfully passing the state examination.

(c) Have a high school diploma or pass a general educational development test as described in Article 3 (commencing with Section 51420) of Chapter 3 of Part 28 of the Education Code.

(d) Obtain a criminal record clearance as provided for in Sections 1522 and 1522.03.

§ 1562.5. Human immunodeficiency virus (HIV) and tuberculosis training for administrator of adult residential facility and program director of social rehabilitation facility

(a) The director shall ensure that within six months of obtaining licensure, an administrator of an adult residential facility and a program director of a social rehabilitation facility shall receive four hours of training on the needs of residents who may be infected with the human immunodeficiency virus (HIV), and on basic information about tuberculosis. Administrators and program directors shall attend update trainings every two years after satisfactorily completing the initial training to ensure that information received on HIV and tuberculosis remains current. The training shall consist of three hours on HIV and one hour on tuberculosis.

(b) The training shall consist of all of the following:

(1) Universal blood and body fluid precautions.

(2) Basic AIDS and HIV information, including modes of transmission.

ARTICLE 7. LOCAL REGULATION

§ 1566. State policy; encouragement of residential care facilities; application of article; definition

The Legislature hereby declares that it is the policy of this state that each county and city shall permit and encourage the development of sufficient numbers and types of residential care facilities as are commensurate with local need.

The provisions of this article shall apply equally to any chartered city, general law city, county, city and county, district, and any other local public entity.

For the purposes of this article, "six or fewer persons" does not include the licensee or members of the licensee's family or persons employed as facility staff.

§ 1566.1. Enforcement of article; suit to invoke provisions

Any person licensed under the provisions of this chapter who operates, or proposes to operate a residential facility, the department or other public agency authorized to license such a facility, or any public or private agency which uses or may use the services of the facility to place its clients, may invoke the provisions of this article.

This section shall not be construed to prohibit any interested party from bringing suit to invoke the provisions of this article.

§ 1566.2. Taxes, fees, charges and assessments; residential facilities serving six or fewer persons

A residential facility, which serves six or fewer persons shall not be subject to any business taxes, local registration fees, use permit fees, or other fees to which other family dwellings of the same type in the same zone are not likewise subject. Nothing in this section shall be construed to forbid the imposition of local property taxes, fees for water service and garbage collection, fees for inspections not prohibited by Section 1566.3, local bond assessments, and other fees, charges, and assessments to which other family dwellings of the same type in the same zone are likewise subject. Neither the State Fire Marshal nor any local public entity shall charge any fee for enforcing fire inspection regulations pursuant to state law or regulation or local ordinance, with respect to residential facilities which serve six or fewer persons.

For the purposes of this section, "family dwellings," includes, but is not limited to, single-family dwellings, units in multifamily dwellings, including units in duplexes and units in apartment dwellings, mobilehomes, including mobilehomes located in mobilehome parks, units in cooperatives, units in condominiums, units in townhouses, and units in planned unit developments.

§ 1566.25. Reimbursement of county placement by county of residence

If a county of residence agrees to pay a placement county the costs of providing services

to a minor pursuant to subdivision (a) of Section 740 of the Welfare and Institutions Code, all of the following shall apply:

(a) The county of residence Shall agree to pay the placement county the actual costs of providing services to a child placed in a community care facility outside his or her county of residence by a placement agency, as defined in Section 1536.1, that are incurred by the probation department, social services department, health department, or mental health department of the placement county for which the placement county is not otherwise reimbursed.

(b) Claims made by the county of placement to the county of residency pursuant to subdivision (a) shall include documentation and shall be paid within 30 days of submission of these claims.

(c) For the purposes of this section, the county from where the child was placed in the community care facility shall be considered the county of residency.

§ 1566.3. Ordinances; residential facilities serving six or fewer persons considered residential use of property; residents and operators considered a family

Whether or not unrelated persons are living together, a residential facility which serves six or fewer persons shall be considered a residential use of property for the purposes of this article. In addition, the residents and operators of such a facility shall be considered a family for the purposes of any law or zoning ordinance which relates to the residential use of property pursuant to this article.

For the purpose of all local ordinances, a residential facility which serves six or fewer persons shall not be included within the definition of a boarding house, rooming house, institution or home for the care of minors, the aged, or the mentally infirm, foster care home, guest home, rest home, sanitarium, mental hygiene home, or other similar term which implies that the residential facility is a business run for profit or differs in any other way from a family dwelling.

This section shall not be construed to forbid any city, county, or other local public entity from placing restrictions on building heights, setback, lot dimensions, or placement of signs of a residential facility which serves six or fewer persons as long as such restrictions are identical to those applied to other family dwellings of the same type in the same zone.

This section shall not be construed to forbid the application to a residential care facility of any local ordinance which deals with health and safety, building standards, environmental impact standards, or any other matter within the jurisdiction of a local public entity if the ordinance does not distinguish residential care facilities which serve six or fewer persons from other family dwellings of the same type in the same zone; and if the ordinance does not distinguish residents of the residential care facilities from persons who reside in other family dwellings of the same type in the same zone.

No conditional use permit, zoning variance, or other zoning clearance shall be required of a residential facility which serves six or fewer persons which is not required of a family dwelling of the same type in the same zone.

Use of a family dwelling for purposes of a residential facility serving six or fewer persons shall not constitute a change of occupancy for purposes of Part 1.5 (commencing with Section 17910) of Division 13 or local building codes. However, nothing in this section is intended to supersede Section 13143 or 13143.6, to the extent such sections are applicable to residential facilities providing care for six or fewer residents.

For the purposes of this section, "family dwelling," includes, but is not limited to, single-family dwellings, units in multifamily dwellings, including units in duplexes and units in

apartment dwellings, mobilehomes, including mobilehomes located in mobilehome parks, units in cooperatives, units in condominiums, units in townhouses, and units in planned unit developments.

§ 1566.4. Failure to comply with ordinance by exempt facility; denial of clearance permit or similar authorization prohibited

No fire inspection clearance or other permit, license, clearance, or similar authorization shall be denied to a residential facility because of a failure to comply with local ordinances from which such facilities are exempt under Section 1566.3, provided that the applicant otherwise qualifies for such fire clearance, license, permit, or similar authorization.

§ 1566.45. Bedridden; defined

(a) (1) For purposes of this section, "bedridden" means either requiring assistance in turning and repositioning in bed, or being unable to independently transfer to and from bed, except in facilities with appropriate and sufficient care staff, mechanical devices if necessary, and safety precautions, as determined by the director in regulations.

(2) In developing the regulations for child residential facilities, the department shall take into consideration the size and weight of the child.

(3) For purposes of this section, the status of being bedridden shall not include having any illness that persists for 14 days or less.

(4) The determination of the bedridden status of persons with developmental disabilities shall be made by the Director of Social Services or his or her designated representative, in consultation with the Director of Developmental Services or his or her designated representative, after consulting the resident's individual safety plan. The determination of the bedridden status of all other persons with disabilities who are not developmentally disabled shall be made by the Director of Social Services, or his or her designated representative.

(b) Bedridden persons may be admitted to, and remain in, residential facilities that secure and maintain an appropriate fire clearance. A fire clearance shall be issued to a facility in which a bedridden person resides if either of the following conditions are met:

(1) The fire safety requirements are met.

(2) Alternative methods of protection are approved.

(c) (1) The department and the Office of the State Fire Marshal, in consultation with the State Department of Developmental Services, shall each promulgate regulations that meet all of the following conditions:

(A) Are consistent with subdivision (a).

(B) Are applicable to facilities regulated under this chapter, consistent with the regulatory requirements of the California Building Standards Code for fire and life safety for the respective occupancy classifications into which the State Department of Social Services' community care licensing classifications fall.

(C) Permit residents to remain in home-like settings.

(2) At a minimum, these regulations shall do both of the following with regard to a residential care facility that provides care for six or fewer residents, at least one of whom is bedridden:

- (A) Clarify the fire and life safety requirements for a fire clearance for the facility.
- (B) Identify procedures for requesting the approval of alternative means of providing equivalent levels of fire and life safety protection. Either the facility, the resident or resident's representative, or local fire official may request from the Office of the State Fire Marshal a written opinion concerning the interpretation of the regulations promulgated by the State Fire Marshal pursuant to this section for a particular factual dispute. The State Fire Marshall shall issue the written opinion within 45 days following the request.
- (d) For facilities that care for six or fewer clients, a local fire official shall not impose fire safety requirements stricter than the fire safety regulations promulgated for the particular type of facility by the Office of the State Fire Marshal or the local fire safety requirements imposed on any other single family dwelling, whichever is more strict.
- (e) This section and any regulations promulgated thereunder shall be interpreted in a manner that provides flexibility to allow bedridden persons to avoid institutionalization and be admitted to, and safely remain in, community-based residential care facilities.

§ 1566.5. Contracts, deeds, or covenants for transfer of real property; residential facilities serving six or fewer persons considered residential use of property and use of property by family

For the purposes of any contract, deed, or covenant for the transfer of real property executed on or after January 1, 1979, a residential facility which serves six or fewer persons shall be considered a residential use of property and a use of property by a single family, notwithstanding any disclaimers to the contrary.

§ 1566.6. List of community care facilities; quarterly update specifying newly licensed facilities

The department shall annually prepare, with a quarterly update commencing July 1, 1979, specifying newly licensed facilities, a list or lists of all licensed community care facilities in the state, other than foster family homes, which shall include the information required by Section 1536 and shall additionally specify as to each such facility the licensed capacity of the facility and whether it is licensed by the state department or by another public agency pursuant to Section 1511. Compliance with this section shall also constitute compliance with Section 1536.

§ 1566.7. Violations and appeals; notice to placement agencies

The department shall notify affected placement agencies and the Office of the State Long-Term Care Ombudsman, as defined in subdivision (c) of Section 9701 of the Health and Safety Code, whenever the department substantiates that a violation has occurred which poses a serious threat to the health and safety of any resident when the violation results in the assessment of any penalty or causes an accusation to be filed for the revocation of a license. If the violation is appealed by the facility within 10 days, the department shall only notify placement agencies of the violation when the appeal has been exhausted. If the appeal process has not been completed within 60 days, the placement agency shall be notified with a notation which

indicates that the case is still under appeal. The notice to each placement agency shall be updated monthly for the following 24-month period and shall include the name and location of the facility, the amount of the fine, the nature of the violation, the corrective action taken, the status of the revocation, and the resolution of the complaint. At any time during which a facility is found to have one or more of the following serious deficiencies, the director shall provide an immediate notice of not to exceed five working days to the placement agency:

(a) Discovery that an employee of the facility has a criminal record which would affect the facility's compliance with Section 1522.

(b) Discovery that a serious incident which resulted in physical or emotional trauma of a resident has occurred in a facility.

§ 1566.8. Mobilehome parks; licensed foster family home

Notwithstanding any other provision of law, if according to the rules and regulations of a mobilehome park, the park is designated as a family park or a section of a mixed mobilehome park is designated as a family section, no rule, regulation, rental agreement, or any other provision in existence on the effective date of this section shall, directly or indirectly, prohibit a person from operating in any mobilehome in a family park or designated family section, a licensed foster family home.

ARTICLE 8. Community Care Facilities for Wards of the Juvenile Court

§ 1567. Legislative intent

It is the intent of the Legislature that each county be encouraged to provide, in the county, a number and variety of licensed community care facilities, as defined in Sections 1502 and 1503 of the Health and Safety Code, commensurate to the needs of minors adjudged wards of the juvenile court pursuant to Section 601 or 602 of the Welfare and Institutions Code, hereinafter in this article referred to as wards of the juvenile court, who are residents of the county.

§ 1567.1. Legislative intent; Removal of zoning restrictions

It is further the intent of the Legislature that, where city or county zoning restrictions unreasonably impair the ability of a county to serve the needs of its residents who are wards of the juvenile court, the removal of these restrictions is hereby encouraged and is a matter of high state interest.

§ 1567.2. Wards of the juvenile court defined; Encouragement of placement in county of residence

As used in this article, the term "wards of the juvenile court" shall include minors who have been found by the juvenile court to be described by Section 601 or 602 of the Welfare and Institutions Code, as well as minors who are described by Section 601 or 602 of the Welfare and Institutions Code who have been diverted from formal juvenile court proceedings. It is further the intent of the Legislature to encourage that wards of the juvenile court be placed in licensed community care facilities within their county of residence, unless an individual ward has

identifiable needs requiring specialized care which cannot be provided in a local facility, or unless the needs of the individual ward dictate physical separation from his family.

§ 1567.3. Out-of-county placements; notice to probation officer

(a) No licensed community care facility may receive a ward of the juvenile court as described in Section 602 of the Welfare and Institutions Code until the probation officer of the county in which the community care facility is located has received written notice of the placement, as prescribed in Section 740 of the Welfare and Institutions Code, including the name of the ward, the juvenile record of the ward, including any known prior offenses, and the ward's county of residence, from the probation officer of the county making the placement, or in the case of a Youth Authority ward, the parole officer in charge of the case.

(b) The probation officer of a county making an out-of-county placement of a ward of the juvenile court as described in Section 602 of the Welfare and Institutions Code shall notify the probation officer of the county in which the community care facility is located within 24 hours of receipt of the ward by the licensed community care facility. If the ward is received on a weekend or holiday, notification shall be made by the end of the next business day.

§ 1567.4. Roster; furnishing quarterly to counties and cities

The State Department of Social Services shall provide, at cost, quarterly to each county and to each city, upon the request of the county or city, and to the chief probation officer of each county and city and county, a roster of all community care facilities licensed as small family homes or group homes located in the county, which provide services to wards of the juvenile court, including information as to whether each facility is licensed by the state or the county, the type of facility, and the licensed bed capacity of each such facility. Information concerning the facility shall be limited to that available through the computer system of the State Department of Social Services.

§ 1567.7. Inapplicability of this article to existing facilities with prior zoning approval

This article shall not apply to existing community care facilities for wards of the juvenile court which have received city or county zoning approval prior to the effective date of this article.

§ 1567.8. Exemption from business taxes, local registration fees or other fees

A community care facility for wards of the juvenile court, which serves six or fewer persons shall not be subject to any business taxes, local registration fees, use permit fees, or other fees to which other single family dwellings are not likewise subject. Nothing in this section shall be construed to forbid the imposition of local property taxes, fees for water service and garbage collection, fees for inspections not prohibited by Section 1567.9, local bond assessments, and other fees, charges, and assessments to which other single family dwellings are likewise subject. Neither the State Fire Marshal nor any local public entity shall charge any fee for enforcing fire inspection regulations pursuant to state law or regulation or local ordinance, with respect to community care facilities for wards of the juvenile court which serve six or fewer persons.
